

**THE
TRUTH**
ABOUT THE DEMOCRATIC PARTY

TERRY BORCHERS

The Truth Will Set YOU Free!

This Report Reveals the Truth About the Democratic Party AKA "The Left."
It Will Not Only be an Eye-Opener, but a Wake-Up Call and Warning
to Those Who've been Unwittingly Believing Its Narratives and / or Supporting Its Agenda.

Dear Democrat Voter...

"The Truth About The Democratic Party" is a special investigative report, authored independently by yours truly, free of any sponsors whether financial, ideological, political or otherwise.

I do, however, want to be transparent and let you know that I am one of the "Deplorables" Hilary Clinton laughingly referred to during her 2016 Presidential Campaign. Despite that characterization, I'm a patriotic American who wants the absolute best for America and every one of its citizens, INCLUDING YOU. If you'd like to know more about me, I've included my BIO on the very last page hereof.

With that, let me take you on the journey that I took in researching and writing this report.

My Question

I've always been a keen observer of cultural and political events and trends, but six months before the 2020 Presidential election I started asking myself "Why in the world do so many Americans continue to vote for Democrats, given the Democratic Party's and its Politicians' history, belief system and move to the radical "Left?"

My Research

To better understand the phenomenon, I decided to do my homework. That resulted in writing "The Truth About The Democratic Party," a laundry list of 58 "Truths" which paint an accurate picture of Democratic Party and its politicians, operatives, enablers and promoters aka its propoganda arm, its censorship arm, its indoctrination arm, its surveillance arm, its enforcement arm, its economic arm and its source of moral authority.

My information sources are frequently cited in the supporting verbiage of each "Truth." If there is no citation, the facts, including video clips, are easily verifiable via Bing, DuckDuckGo and / or Google searches.

My Discovery

As I researched and wrote the list of "Truths", a common "thread" emerged and it's as follows...

The Democratic Party, its Politicians and its Surrogates have an insatiable lust for power and control over their fellow human beings that is evil at its root.

My Challenge

Don't believe me? Then I challenge you to do the following...

- Read each of the 58 "Truths," especially the following eleven...
 - #3 – The Democratic Party is the Party of Slavery
 - #6 – The Democratic Party is the Party of Dependency and Victimization

- #14 – The Democratic Party is the Party of Abortion and Infanticide
 - #16 – The Democratic Party is the Party of Lawlessness
 - #22 – The Democratic Party is the Party Which has Let China Play Us for Fools
 - #30 – The Democratic Party is the Party with Its Own “Propaganda Arm” aka Main Stream Media
 - #35 – The Democratic Party is the Party of Community Organizing
 - #44 – The Democratic Party is a Party that Promotes the Lie that America is Systemically Racist
 - #47 – The Democratic Party is a Party that has Succumbed to Marxism Under Threats from the “Left.”
 - #50 – The Democratic Party is a Party that De-Humanizes “Whole “Classes” of Human Beings When It Advances Their Lust for Power and Control
 - #58 – The Democratic Party is a Party that is Morphing into the Party of Tyranny
- Decide whether you’ve been / are being lied to and whether the lies are controlling or influencing your decisions about who to vote for / not vote for.
 - Decide whether the Democratic Party still represents your thinking and your best interests.
 - If not, consider the reality that the Democratic Party has left you behind.
 - If it has, either leave now or just don’t for Democrats in the upcoming local, state and national elections.

If you leave the Democrat Party, or don’t vote for Democrats, you won’t be the first or the last to do so. Former President Ronald Reagan, who switched parties said, “I didn’t leave the Democratic Party. The Party left me.”

We’re in a War of Good Versus Evil

From everything I’m hearing and seeing, I’d say we’re now embroiled in a war of good versus evil with evil growing daily across our beloved country. Will evil become the dominant force that it became in Nazi Germany, Soviet Russia and Red China?

What’s at stake?

Our nation, our Constitution, our freedoms, our economic system, our prosperity, our safety / security, our loved ones, our futures and, frankly, our very humanity.

Update

This report was researched and written before the November 5, 2020 Presidential Election. It’s updated on the page following Truth #58 and before my Bio which is titled “Just Another One of Those “Deplorables.”

Sincerely!

Truth #3 – The Democratic Party is the Party of Slavery...

- The Republican Party was formed in 1854 to fight the expansion of slavery. It consisted of Northern White Protestant Christians, businessmen, professionals, factory workers, farmers and a number of black abolitionists including Frederick Douglass, Harriet Tubman and Sojourner Truth.
- Abraham Lincoln was the first Republican President of the United States. The Democratic Party fought him and his Republican Party tooth and nail to keep slavery in place, both before and after he signed the Emancipation Proclamation on January 1, 1863.
- The Confederate states were run and controlled by what was the Democratic Party both before and after they seceded from the Union.
- The Democratic Party essentially fought and lost the Civil War.
- The 13th Amendment to the Constitution abolished slavery. It was supported by 100% of Republicans and 23% of Democrats.
- The 14th Amendment to the Constitution granted citizenship to freed slaves. It was supported by 94% of Republicans and 0% of Democrats.
- The 15th Amendment to the Constitution granted African American men the right to vote. It was supported by 100% of Republicans and 0% of Democrats.
- The Democratic Party, its Politicians and its operatives clandestinely formed, funded and participated in the Ku Klux Klan.
- The Democratic Party is the party of “Jim Crow.”
- The Democratic Party supported segregation, fought integration.
- The Civil Rights Acts of 1957, 1964 and 1968 were all passed with substantially greater percentages of Republican votes versus Democratic votes in both the House and the Senate.
- During the 50s and 60s many Democratic Politicians were bigots and racists. One of the worst examples was Governor George Wallace.
- Democratic Senator Robert Byrd recruited 150 of his friends and associates to create a new chapter of the Ku Klux Klan in Sophia, WV. As the Senate Majority Leader, Byrd fought civil rights, personally filibustered the Civil Rights Act of 1964 for 14 hours and voted against the confirmation of Thurgood Marshall for the U.S. Supreme Court amongst just a few of his vociferous anti-black stances. Did you know that Joe Biden takes ENORMOUS PRIDE in claiming that Robert Byrd was HIS MENTOR?

How in the world can a person call himself/herself a Democrat, or vote for Democrats, given the Democratic Party’s evil history?

Truth #4 – The Democratic Party is the Party of “Bigger is Always Better” Government...

- America's founders wanted the nation's federal government to be small with limited powers.
- The Democratic Party and its Politicians believe our national government is the answer to virtually every problem, real or imagined.
- Since national government “answers” attract and solidify votes, the Democratic Party and its Politicians love big government and have grown it whenever they've had the opportunity to do so.
- The federal government now employs more than 2,100,000 people full-time, which number does not include the civilian employees of the U.S. Postal Service or active duty and reserve military personnel.
- Most Federal Government employees are Democrats who naturally favor Democratic legislation and programs.
- Are Federal Government employees still accountable first and foremost to U.S. Citizens? It's debatable, especially given that they are unionized.

**Do YOU believe Big Government can
solve every problem?**

Truth #5 – The Democratic Party is the Party of Massive Government Programs...

- The Democratic Party and its Politicians propose and enact massive government programs to solve problems. Boy, have they been costly...
 - The New Deal...\$650+ billion in today's dollars
 - The Great Society, The War on Poverty and Related Programs...\$22+ TRILLION and growing
 - Social Security...\$1+ trillion annually
 - Medicare...\$580+ billion annually
 - Medicaid...\$590+ billion annually (60+% of which is paid by the federal government)
 - Welfare...\$460+ billion annually
 - Obama/Biden 2009 Recovery Act...\$840 billion

- In 1965, following his re-election, President Lyndon B. Johnson declared “war on social ills.” With a COMPLIANT Democratic Congress, Johnson passed everything on his bucket list – and more. After voting AGAINST civil rights legislation for two decades, he signed the 1964 Civil Rights Act. This one event transformed him from a segregationist into a savior. His new image enabled him to finesse 200+ pieces of federally managed, feel good programs through Congress. And he promised something for everyone saying...
 - “Hell, let’s not stop with civil rights. Let’s take care of everyone.” – Lyndon B. Johnson

- LBJ ingrained the framework for today’s progressive state. The feds seized medicine with Medicare and Medicaid. The Economic Opportunity Act guaranteed everyone either a hand up or hand out. With the Elementary, Secondary and Higher Education Acts, education was federalized. Government became our community planners and landlords when he signed the Urban Development and Housing Act. He federalized charities, the environment, mass transit and water. He sealed the deal by passing the Supplemental Nutrition Assistance Program, also known as Food Stamps.

- Milton Friedman once said, “Nothing is as permanent as a temporary government program.” Most of the Great Society programs were intended to fight LBJ’s War on Poverty. According to the Heritage Foundation, LBJ’s legacy has cost us \$22 trillion plus in current dollars. And that total increases by \$1 trillion each year as more than 80 overlapping, means-tested federal programs soak up tax dollars. Like a rabbit in spring, they propagate perpetually. For more information on this subject go to www.thecentersquare.com.

- Some state governments are just as bad. While traffic has slowed to a crawl in the San Francisco Bay Area, and a rush hour drive from downtown Sacramento to downtown San Francisco has increased from 1.5 hours to as long as 5 hours, the State of California gets the idea that a high-speed railway down California’s Central Valley connecting San Francisco to Los Angeles is a good one. Most Californians believe it’s a joke and, at a cost of \$80.3 billion to date, a bad one at that.

**If YOU don’t want the government to waste YOUR money,
don’t vote for Democrats.**

Truth #6 – The Democratic Party is the Party of Dependency and Victimization...

- The Democratic Party and its Politicians sowed the seeds of the breakdown of the family, especially the black family, with its War on Poverty's welfare checks the results of which black women "married" the government and black men "gave up" their marital and parental responsibilities.
- For more than 200 years, the Democratic Party has been playing and is still playing the role of THE CAPTOR, and the black community the role of THE VICTIM, in a "Stockholm Syndrome" type of relationship, which syndrome is defined as feelings of trust or affection felt by a victim of hostage-taking or kidnapping toward his/her captor. Today, the Syndrome could be called the **Democratic Party Syndrome**.

**Break the bondage.
Stop voting for Democrats.**

Truth #7 – The Democratic Party is the Party of Unkept Promises and Poor Performance...

- The Democratic Party and its Politicians make a lot of promises, especially at election time.
- Most of the recent Democratic Party leaders have been “all show and no go” meaning they don’t end up accomplishing much, if anything, worthwhile...
 - Exhibit A...Jimmy Carter
 - Exhibit B...Bill Clinton
 - Exhibit C...Barack Obama
 - Exhibit D...Joe Biden
- The Democratic Party’s poorest outcome in recent memory is President Obama’s utter failure to accomplish anything of discernible value for the black community. Many in the black community agree with football great Herschel Walker when he recently said that Obama did “absolutely nothing” to resolve racial issues during his 8-year Presidency. What Barack has been successful in doing is increasing his net worth from \$1.3 million, when he moved into the White House in 2008, to an estimated \$40 million today!
- The Democratic Party is full of Politicians who have never started, built or run a successful business or organization. Very few have ever hired an employee or written a paycheck.
- A majority of the Democratic Party’s Politicians are LAWYERS which tells you a lot about what they’re good at... researching, writing, arguing minutiae, arguing for arguing’s sake, games playing and blathering to no end. The names Adam Schiff and Eric Swalwell say it all.
- The Democratic Party’s last FOUR Presidential candidates have all been attorneys...Bill Clinton, Barack Obama, Hillary Clinton and Joe Biden. And, wouldn’t you know, Joe Biden’s running mate, Kamala Harris, is ALSO AN ATTORNEY.
- What, specifically, has the Democratic Party accomplished in the last 30 years?
- It appears that its Politicians lack the skill set and practical experience to get anything meaningful done.
- Oh, and when they can’t / don’t get their way, they’ve become all-stars at kicking the can down the road.

Do YOU believe any aspect of the Democratic Party’s performance has been acceptable or commendable?

Truth #8 – The Democratic Party is the Party of Unchecked Spending and Unnecessary Debt...

- Barack Obama's financial track record during his tenure in office was terrible. Ditto his "sidekick" Joe Biden...
 - His budget deficits were estimated at \$4.32 trillion, but ended up totaling \$8.93 trillion.
 - He added \$8.588 trillion to the national debt, a 74% increase from \$11.657 trillion to \$20.245 trillion.

According to The Manhattan Institute, at www.manhattan-institute.org, the weak economy was not the primary reason for Obama's poor financial performance.

- According to The Waste Report of 2019, the Democratic Party and its Politicians have lobbied and voted for expenditures that are wasteful to the tune of \$50.2 billion annually.
- According to Open the Books, at www.openthebooks.com...the largess in the payment of public employee financial compensation, both payroll and pension, especially by blue states and their public entities is astounding to say the least...
 - California has 340,000 public employees on its payroll taking home \$100,000+ paychecks totaling \$45 billion.
 - New York has 290,304 public employees on its payroll taking home \$100,000+ paychecks totaling \$38 billion.
- Government employee pensions are the ultimate con job. Almost all federal, state and local public employees are Democrats. They protect their pay and pensions by voting for Democrats in mass, which Democrats protect their backs at taxpayer expense.
- Why should non-public employee taxpayers, who don't get guaranteed pensions, have to pay for the guaranteed pensions of so-called public servants. A better description of American taxpayers might as well be "slaves on the government plantation."

**If YOU're voting for Democrats,
YOU're contributing to these systemic problems.**

Truth #9 – The Democratic Party is the Party of Complex Legislation and Wasteful “Pork”...

- The Democratic Party and its Politicians favor complex legislation to a fault.
- Nancy Pelosi stated the Party's and its Politicians' stance best when she said, in referring to the Affordable Care Act aka ObamaCare, “We have to pass the bill so that you can find out what is in it.” Is that an idiotic statement or what?
- As a general rule, the more complex the legislation, the more “Pork.”
- The Democratic Party and its Politicians have become “The Porkers” of the legislative process. What they do is insert their pet project and its costs (the “Pork”), into a bill that's making its way through the legislative process, a bill that they'd vote for. What they plan on doing is voting “yea” for the bill as well as the “Pork.” The Democratic Politician gets an immediate ROV (Return on the Vote) for his / her voters which is one of the ways they keep themselves in office election-after-election-after election.
- “Pork” is a huge source of bad decisions and wasteful spending which also powers bigger government, federal, state and local.

**If YOU're voting for Democrats,
YOU're continuing this long-standing problem.**

Truth #10 – The Democratic Party is the Party of Crippling Regulation...

- The Democratic Party, Democratic Politicians, the Federal bureaucracy and Leftist State bureaucracies love to control and love to regulate.
- The bureaucrats that work for these governments will use any excuse, even the once in a lifetime event, or a nascent problem, to try to control what we citizens think, say and do.
- Since the Left “owns” the environment they will regulate anything and everything that they believe will threaten it..
 - In California, the “Leftists” are so wild about protecting Smelt in the San Joaquin Delta that they’ve cut off/slowed the flow of water that’s necessary to grow food in California’s Central Valley.
 - In California, the “Leftists” are so freaked out about protecting the forests that they’re afraid to manage them, leaving them susceptible to devastating wildfires like the Mendocino Complex, the Thomas, the Cedar, the Rush and the Rim fires, each of which consumed more than 250,000 acres. The worst was the Camp Fire which consumed more than 153,000 acres, 18,804 structures and 86 lives.
- The most costly are the regulations and requirements imposed via laws on economic activity. The costs are financial as well as loss of time and productivity due to all kinds of hassles.
 - HIPAA / The Health Insurance Portability and Accountability Act has cost the healthcare industry in the tens of billions of dollars in increased costs, hassles and lost productivity since it was enacted in 1996.
 - The ARRA / American Recovery and Reinvestment Act required all public and private healthcare providers to adopt and demonstrate “meaningful use” of electronic medical records (EMRs) by January 1, 2014, in order to maintain their existing Medicare and Medicaid Reimbursement levels. To find out how this mandate has worked just ask ANY doctor and they will tell you that it’s been the hassle that never ends.
 - California tried to outlaw work on an independent contractor basis, as opposed to an employment basis. This threatened the livelihoods of hundreds of thousands of people. Uber, Lyft and Door Dash (bless their hearts) fought this attempted theft via Prop 22 in the November, 2020 elections and prevailed over the State of California.

**I believe we’re waaaaay over-regulated.
How about YOU?**

Truth #11 – The Democratic Party is the Party of Punishing Taxation...

- What's the Federal Government's "take" on YOUR Federal tax return in ordinary income and capital gains taxes?
- What's YOUR State Government's "take" on YOUR State tax return in ordinary income and capital gains taxes?
- How about your City's or County's "take" on YOUR annual property tax bill?
- Do you know what your State's "take" is on each gallon of gas YOU purchase? In California, it's 61.2¢ in state tax per gallon + 18.4¢ in Federal tax per gallon = 79.6¢ total per gallon. You can go to www.taxfoundation.org for the gas tax in your state.
- Check your monthly statement for the tax on YOUR land line bill (if you still have a land line).
- Check your monthly statement for the tax on YOUR cell phone bill.
- Oh, and what about all of the other taxes like auto license taxes, professional license taxes and sales taxes. Add them up and you'll understand what I mean by the word "punishing."
- The Democratic Party and its Politicians would love to increase taxes on every American citizen. In fact, that's exactly what Joe Biden and Kamala Harris PROMISED to do if elected.
- The Democratic Party and its Politicians have demonized the 1% highest earners in America despite the fact that they are paying 25+% of their personal Adjusted Gross Income in Federal income tax. Taken together, the 1%ers are paying a combined 40+% of ALL Federal income taxes paid. That's not fair. Every citizen, except those unable to work due to illness or mental / physical disability, should pay something.

**What percentage
of YOUR Adjusted Gross Income are YOU paying in taxes?
Are YOU happy with it?**

Truth #12 – The Democratic Party is the Party of Our Failed Cities...

- The Democratic Party and Its Politicians have presided over the failures of the following cities...
 - Baltimore...90 years which included **Nancy Pelosi's** father and eldest brother
 - Chicago...89 years
 - Detroit...39 of 58 years
 - San Francisco...51 of 59 years
 - Philadelphia...70 years
 - Seattle...30 years
- These cities have become known for one or more of the following...corruption, debt, fiscal red ink, homelessness and lawlessness.
- Baltimore, Chicago, Minneapolis, Philadelphia, Portland and Seattle have become more and more violent, and their Democratic mayors and city councils are either unwilling or unable to contain, let alone end it.
- Ala New York City, they are allowing mobs to destroy property, loot stores, close businesses, injure / kill residents and extort money from the public treasury.
- They are demonizing and hamstringing their police officers, putting them in no-win situations that are resulting in growing numbers of police officer injuries, deaths and retirements.
- And now they want to either eliminate, or cut the funding to, their Police Departments? And they think that will turn failing cities around?

**This is Exhibit A in the laundry list of the
Democratic Party's many failures.**

Truth #13 – The Democratic Party is the Party of Our Failed Educational System...

- Our K-12 educational system has failed us. The word “system” includes most state and local boards of education including their leaders and administrators, all state teachers unions including their leaders and union reps and most neighborhood schools including their principals, staffs and teachers.
- The “system” has taken God and His word out of the classroom and replaced them with man’s wisdom which is woefully inadequate to live life.
- Our K-12 students have been getting indoctrinated since kindergarten with increasingly “Leftist” thinking and values which are slowly, but surely, destroying our culture.
- Our K-12 students are being taught a false version of history, especially American history. This will be taking a dramatic turn for the worse with the public school systems’ buy-in to the New York Times’ version of American history known as the “1619 Project.”
- Some of our state and local public school boards and teachers are collaborating with authors, book publishers and curriculum publishers, including Black Lives Matter, Planned Parenthood and The Nation of Islam, to indoctrinate our children with their EVIL BELIEFS, especially Critical Race Theory. This is dangerous, especially in light of the following quotes by two of history’s most evil social justice warriors...
 - Adolph Hitler...“Let me control the textbooks and I will control the state.”
 - Vladimir Lenin...“Give me four years to teach the children and the seeds I have sown will never be uprooted.”
- The Democratic Party and its Politicians have not only protected the failure, but condoned it. As long as they get teachers’ votes, they could care less about what is taught to our children.
- Once educated in the falsehoods taught by the K-12 system, those that go off to college, aka our C-6 educational system, are “moist clay” in the hands of our colleges’ and universities’ “Leftist” professors.
- So, what has all of this propaganda produced? A bunch of arrogant, spoiled and “thin-skinned” college students and graduates. I wish it was only that. What it’s created is a 7-headed monster of Cancel Culture, Critical Race Theory, Hate America, Political Correctness, Racism, Virtue Signaling and Wokeness.

**YOU may not be a “Leftist” K-12 teacher or C-6 professor,
but YOU might as well be if YOU’re voting for Democrats.**

Truth #14 – The Democratic Party is the Party of Abortion and Infanticide...

- The Democratic Party “owns” abortion.
- The Democratic Party and its Politicians have endorsed, funded and supported Planned Parenthood from the get-go. It was founded by Margaret Sanger, a racist to the core, especially when it came to promoting the abortion of black babies.
- The Democratic Party and its Politicians have condoned, defended, funded and promoted the abortion of more than 60,000,000 babies since 1973, 20,000,000 of whom were black babies.
- The Democratic Party and its Politicians have started to expand abortion to include infanticide, the killing of babies born alive. In fact, the New York state legislature erupted in a thunderous roar when their recent decision to legalize infanticide was announced.
- The Democratic Party and its Politicians condone / fund / promote the murder of babies to attract and control voters, especially female voters, which proves that their lust for power and control is more important than life itself.
- The Democratic Party and its Politicians also condone the sale of aborted baby body parts. How sick is that?
- The Democratic Party, its Politicians and its voters all have blood on their hands.

**Democrat voters have “co-signed”
for the death of every aborted baby.**

Truth #15 – The Democratic Party is the Party of Sexual Perversion...

- The Democratic Party and its Politicians are willing to embrace any and every form of aberrant human behavior imaginable. If the activity is perverted, it's just fine with them.
- We all know the historical list of perversions, but some...like child molestation and rape...are on the increase and others...like gender identity and choice...are newbies to our culture.
- Maybe, just maybe, child sex trafficking and child rape are okay because some of Democratic Party's Politicians are involved. I bet Jeffrey Epstein could have told us who, maybe Ghislaine Maxwell will.
- The Democratic Party and its Politicians condoned, promoted and supported same-sex marriage, which thumbed its nose at God's definition / plan for the family unit.

**Are YOU okay with sexual perversion in all of its forms?
Will YOUR continuing votes for Democrats bring on
the next Sodom and Gomorrah?**

Truth #16 – The Democratic Party is the Party of Lawlessness...

- The Democratic Party and its Politicians have been and are continuing to “green light” lawlessness.
- They ignore laws that should be enforced to protect us and our country. The best example is our immigration laws.
- They refuse to confront and end evils that are destroying our culture...
 - Drug trafficking
 - Sex trafficking
 - Sex Slavery
 - Child Rape
- Ala the State of Oregon, they promote and enact laws that de-criminalize hard drugs.
- Ala California’s Prop 47, they reduce theft and drug possession offenses from felonies to misdemeanors. Despite dramatic increases in violations, they discourage arrests and condone failures to prosecute the violators.
- They protect illegal aliens via sanctuary cities, counties and states.
- They refuse to cooperate with ICE to deport violent criminals.
- George Soros has spent millions helping “Leftist” attorneys become District Attorneys. Think Diana Becton (Contra Costa County, CA), Chesa Boudin (San Francisco), Kim Foxx (Chicago), Kim Gardner (St. Louis), George Gascon (Los Angeles), Larry Krasner (Philadelphia), Marilyn Mosby (Baltimore) and Rachael Rollins (Suffok County, MA). These DAs are all soft on crime and the bad actors who perpetuate it.
- The Democratic Party and its Politicians obviously don’t want to “touch,” let alone confront, Antifa or Black Lives Matter. And, they haven’t spoken out against or tried to discourage or end the mob violence that we’ve seen running rampant in Chicago, Denver, Los Angeles, Minneapolis, New York, Oakland, Portland, Seattle and other Democrat-controlled cities. Why? Are they ignoring it to keep the votes of anarchists and America haters, both of whom are part of their voter base?
- Now the Democratic Party and its Politicians are agreeing with Black Lives Matter in its desire to defund the police. What do you think is going to be the result...less lawlessness? It’s as if they don’t think evil exists, that or they believe they can benefit politically from an increase in chaos. What if a nationalized police force is their plan?

**We can begin to end the lawlessness when
YOU stop voting for Democrats.**

Truth #17 – The Democratic Party is the Party of Open Borders and Illegal Immigration...

- The Democratic Party's and its Politicians' lack of interest and/or inability to secure our borders has been a gross failure of monumental proportions. Could it be purposeful, even diabolical?
- The Democratic Party and its Politicians have allowed somewhere between 10,000,000 and 30,000,000 illegals to enter and stay in the U.S. since 1985. That number does not include anchor babies, birth tourism, the Visa Lottery or chain migration.
- Illegal aliens who are entering the U.S. are coming from almost every country on earth.
- Most illegal aliens are arriving at our borders claiming asylum due to alleged persecution in their home countries. That claim is more often false than true. While most want a better life and are willing to pay the Mexican cartels thousands of dollars per person to get them to and across our Southern border, huge numbers of women and children are being sex-trafficked under the guise of being part of a family. Besides those, many of the border crashers are gang members, hardened criminals and Islamic Jihadists.
- While illegal aliens constitute from just 3% to 9% of the U.S. population, in calendar year 2018 they accounted for nearly 64% of all federal arrests, 24% of all federal drug arrests, 25% of all federal property arrests and 28% of all federal fraud arrests.
- Literally hundreds of thousands of U.S. citizens have been killed, raped, assaulted, robbed, beaten and kidnapped by criminal illegal aliens.
- Criminal gangs of illegal aliens, like MS-13, are killing thousands of young Hispanics in gruesome ways.
- The Democratic Party and its Politicians are doing everything possible NOT to close our borders, especially our Southern border.
 - They stone-walled the funding to build the wall on our Southern border.
 - They fought President Trump tooth and nail to prevent him from beginning construction of the wall.
 - They cheered the organized formation of Central American caravans to storm our Southern border.
 - They ginned up false narratives about how ICE was mistreating children and their families and the Main Stream Media broadcast them, no questions asked.
- The Democratic Party and its Politicians protect criminal illegal aliens via forming sanctuary cities, sanctuary counties and sanctuary states...
 - Why are they protecting criminal illegal aliens who are engaged in drug trafficking, sex trafficking and sex slavery?
 - Why are they allowing illegal aliens to commit a wide range of crimes and murder thousands upon thousands of Americans?

- Why have they ordered their police and sheriff's departments to refuse to work with ICE when ICE wants to apprehend and deport criminal illegal aliens?
- The Democratic Party and its Politicians are forcing U.S. citizens to pay the \$116 billion annual cost of illegal immigration.
- Now the Democratic Party and its Politicians want to pander to illegal aliens by requiring America's taxpayers to pay for free government services...healthcare, housing, mobile phones...even sex change operations.
- If the Democratic Party and its Politicians could get away with it they would grant amnesty and a path to citizenship to EVERY illegal alien in the U.S.
- The Democratic Party and its Politicians don't want to close our borders and don't want to protect us. The unanswered question is why? Is it because they want more voters?

**If YOU're voting for Democrats,
YOU're contributing to our country's demise.**

Truth #18 – The Democratic Party is the Party of Drug Trafficking and Sex Trafficking...

- Talk about evil, illegal drug trafficking is killing tens of thousands of Americans each and every year.
- And who knows how many young girls, averaging 15 years of age, are victims of sex trafficking? The K9 Project estimates that 17,500 girls are being trafficked into the U.S. annually. Fox News' Lara Logan reported that sex trafficking has become a "family business" in certain parts of Mexico.
- Why aren't these monstrous evils of any discernible interest to the Democratic Party and its Politicians?
 - Are they examples of problems, that if solved, won't generate votes?
 - Are they receiving money from the cartels?
 - Have the cartels threatened them with physical harm or death?

**If YOU're not demanding that these evils be dealt with,
YOU're part of the problem.**

Truth #19 – The Democratic Party is the Party that is Anxious to Strip Us of Our 1st Amendment Rights...

- The Democratic Party and its Politicians have locked arms with the Main Stream Media, Social Tech, Hollywood, the LGBTQ movement, “Leftist” K-12 teachers, “Leftist” C-6 college professors, “Woke” college students / graduates, “Cancel Culturists” and all of the other people and organizations that are part of the “Left” to either end or severely restrict our most important Constitutional rights...
 - Freedom of Religion
 - Freedom of Speech
 - Freedom of the Press
 - Freedom to Peaceably Assemble
 - Freedom to Petition the Government for a Redress of Grievances
- These Freedoms are not just bulwarks against tyranny, but evil itself.
- The Main Stream Media has made a joke of Freedom of the Press. Leveraging the “Cancel Culture’s” increasing decibel level, the MSM is on a mission to take out its conservative competitors, Fox News in particular.
- Social Tech is curtailing Freedom of Speech by taking a top-down approach to censorship starting with President Trump.
- As most have noted, Hollywood’s actors, actresses, producers, movie studios, TV networks and streaming services always get a free pass.
- The LGBTQ movement, which is backed by the Democratic Party and its Politicians, has been laying siege to our Freedom of Religion and people of faith for years.
- “Leftist” college professors and “Woke” college students / graduates have been laying siege to Freedom of Speech and Freedom to Peaceably Assemble on college / university campuses for years.
- The “Cancel Culture” is bent on silencing any speech they don’t agree with or like, which means virtually any and all dissent.
- The Democratic Party and its Politicians don’t want American citizens to have the any freedom to express themselves let alone challenge them. That’s especially true when it comes to Trump voters.
- Most will not know that George Washington warned: “If freedom of speech is taken away, then dumb and silent we may be led like sheep to the slaughter.”

Votes for Democrats are votes to end our freedoms.

Truth #20 – The Democratic Party is the Party that is Anxious to Strip Us of Our 2nd Amendment Right to Bear Arms...

- The Democratic Party and Its Politicians not only want to confiscate some of our guns, but totally disarm us.
- Not only does the Democratic Party and its Politicians not want to protect and defend American citizens, it does not want us to be able to defend ourselves if and when our lives or property are threatened.
- Their justification is mass shootings. Since 2010, there have been 19 mass shootings that have involved 10 or more deaths...

- Aurora, CO	12 Deaths / 70 Injuries
- Binghamton, NY	13 Deaths / 4 Injuries
- Blacksburg, VA	32 Deaths / 23 Injuries
- Columbine, CO	13 Deaths / 24 Injuries
- Dayton, OH	10 Deaths / 27 Injuries
- El Paso, TX	23 Deaths / 23 Injuries
- Killeen, TX	23 Deaths / 27 Injuries
- Las Vegas, NV	61 Deaths / 411 Injuries
- Newtown, CT	28 Deaths / 2 Injuries
- Orlando, FL	50 Deaths / 53 Injuries
- Parkland, FL	17 Deaths / 17 Injuries
- Pittsburgh, PA	11 Deaths / 7 Injuries
- Roseburg, OR	10 Deaths / 8 Injuries
- San Bernardino, CA	16 Deaths / 22 Injuries
- Santa Fe, TX	10 Deaths / 24 Injuries
- Sutherland Springs, TX	27 Deaths / 20 Injuries
- Thousand Oaks, CA	13 Deaths / 12 Injuries
- Virginia Beach, VA	13 Deaths / 5 Injuries
- Washington, DC	13 Deaths / 8 Injuries

The shooters in these 19 mass shootings killed 395 people and injured 787 more.

- The Democratic Party and its Politicians feign horror every time one of these shootings occurs, then immediately jump to the “We need to confiscate everyone’s guns” narrative, as if that’s going to help.
- What the Democratic Party and its Politicians should be doing is confiscating the abortionist’s tools, tools which have murdered more than 60,000,000 babies. You can see these grotesque instruments at www.abortioninstruments.com.

**Gun ownership will be an absolute necessity
for as long as evil walks the streets.**

Truth #21 – The Democratic Party is the Party of Judicial Tyranny...

- The Democratic Party's and its Politicians' typical judicial appointments are right out of the radical "Left's" playbook.
- "Leftist" judges decide cases based on the Democrat Party's and its Politicians' belief system and stances rather than the Constitution and enacted federal, state and local laws.
- Most "Leftist" judges believe that our Constitution is a "living" document that should be interpreted based on the cultural / social norms of our times. Such liberal interpretations are ending the bedrock of certainty that our nation was founded upon and sending us down the road to chaos.
- "Leftist" judges thumb their noses at God, render decisions that ignore the Ten Commandments and embrace evil ideas and theories. Abortion and same sex marriage are the worst examples.
- A number of Supreme Court justices have the blood of 60,000,000+ aborted babies on their hands.

**Our God-breathed Constitution will be at risk for as long as
YOU continue to vote for Democrats.**

Truth #22 – The Democratic Party is the Party Which has Let China Play Us for Fools...

- The Democratic Party and its Politicians have allowed China to gain near total control over critical American supply chains including many electronic components, generic pharmaceuticals and medical supplies.
- The Democratic Party and its Politicians have allowed China to acquire significant control of worldwide sources of precious metals and strategic materials.
- The Democratic Party and its Politicians have given China access to our capital markets.
- The Democratic Party and its Politicians, in collaboration with federal, state and local government employees, have allowed China to acquire thousands of acres of U.S. farmland, especially land that's located near military and nuclear missile silos.
- The Democratic Party and its Politicians have not only allowed China to purchase American businesses like Smithfield Foods, the largest pork producer in the world...but allowed China to bring Chinese workers to the U.S. to raise the pork, process the pork and ship most, if not all, of the output to China. A new example is GNC / General Nutrition Corporation.
- The Democratic Party and its Politicians have allowed China to gain access to our colleges and universities via their acceptance of 369,000 Chinese students, positions which could have and should have gone to Americans.
- China is using its U.S. students, some of whom are CCP / Chinese Communist Party members and military personnel, as one of many strategies to access / mine our knowledge base as well as steal our intellectual property.
- The Democratic Party and its Politicians have allowed China to plant "Confucius Institutes" on our college and university campuses, which institutes function as Trojan Horses for espionage purposes.
- The Democratic Party and its Politicians have failed to stop China from infiltrating our corporations, governmental institutions and military contractors with CCP / Chinese Communist Party and military members.
- Ala Dianne Feinstein's staffer and Eric Swalwell's love affair with a CCP spy, the Democratic Party and Its Politicians have failed to prevent CCP members and military personnel from infiltrating the Democratic Party and its Politicians' campaign and administrative staffs, at not just the federal level, but state and local levels to boot.

**Which side is the Democratic Party and its
Politicians on...ours or China's?**

Truth #23 – The Democratic Party is the Party Which Has Befriended Islam and Its Islamists...

- The Democratic Party is the party of Islam.
- Snippets of information appearing in the press indicate that the Democratic Party and its Politicians are taking great pains not to appear Islamophobic in any way, shape or form.
- In its war on the “Right,” some say that the Democratic Party and its Politicians have taken “the enemy of my enemy is my friend” approach to dealing with the Islamic world in general and Islamists in particular.
- The Democratic Party and its Politicians are giving Islamic operatives, like the Muslim Brotherhood in the guise of CAIR, openings to infiltrate and influence our federal government and its policies.
- The Democratic Party and its Politicians are allowing Islamic nations to use gifts of money to buy influence with and establish Islamic chairs and courses at our most prestigious colleges and universities.

Befriending evil emboldens evil.

Truth #24 – The Democratic Party is the Party that has Ignored Our Best Interests and Not Had Our Backs...

- It's obvious that the Democratic Party and its Politicians are not working to advance or protect the best interests of the American people. Actually, they've done and continue to do just the opposite.
- The Democratic Party and its Politicians have permitted our U.S.-based corporations to offshore millions of American jobs, jobs which could have and should have been filled by Americans.
- The Democratic Party and its Politicians okay budget deficits, condone the Federal Reserve's printing of fiat money and allow local, state and national debts to balloon to the brink of bankruptcy levels.
- The Democratic Party and its Politicians have not increased our safety and security. They're actually guilty of inaction. Just think about:
 - Failing to stop China from cleaning our clock
 - Failing to stop Iran's strategy of using surrogates to foment terrorism
 - Failing to stop the Palestinians from terrorizing Israel
 - Failing to end illegal immigration
 - Failing to get tough on crime, especially illegal alien crime
 - Failing to shut down Antifa's rioting and property destruction
 - Failing to shut down Black Lives Matter's rioting and property destruction
 - Failing to end drug trafficking
 - Failing to end sex trafficking and sex slavery
 - Failing to end child pornography and child sex
- Actually, the Democratic Party and its Politicians have become "Pawns of Satan" in supporting all of these failures. It's as if they've done a "deal with the Devil" to look the other way.
- The Democratic Party, its Politicians and its Deep State operatives are hell bent on interfering with the internal affairs of other countries...Egypt, Israel, Lebanon, Libya and Syria just to name a few. It's another example of their insatiable lust for power and control. No wonder the Islamic world wants to destroy us.

**If YOU don't care about protecting YOUR best interests,
continue voting for Democrats.**

Truth #25 – The Democratic Party is the Party of Anti-Semitism, BDS and the Destruction of Israel...

- The Democratic Party and its Politicians are NOT taking any stance, let alone a tough stance, against anti-semitism whether out in the public, on our college and university campuses or even in Congress.
- The Democratic Party and its Politicians permit the likes of Ilhan Omar and Rashida Talib to get away with badmouthing Israel in general and Jews in particular.
- The Democratic Party and its Politicians support BDS which stands for Boycott, Divestment and Sanctions, which is a Palestinian-led movement for their so-called equality, freedom and justice.
- The Democratic Party and its Politicians are generally Anti-Israel.
- From 2013 to 2017, John Kerry, Obama's Secretary of State, did everything humanly possible to make Israel vulnerable, especially to the Iranians.
- It is a well-known fact that the Obama administration sent U.S. taxpayer money into Israel in an effort to undermine and oust Prime Minister Benjamin Netanyahu.
- The Democratic Party and its Politicians have facilitated the sending of hundreds of millions of American taxpayers' dollars to the blood-thirsty PLO.
- Given all of the Israelis who have died at the hands of Hamas and the PLO, the Democratic Party and its Politicians have blood on their hands.

**If YOU are voting for Democrats,
YOU have become a defacto anti-semite.**

Truth #26 – The Democratic Party is the Party of Blatant Corruption...

- The Democratic Party is corrupt from top to bottom.
- Hilary Clinton fabricated the false Trump/Russian collusion narrative leading up to the 2016 Presidential election. The Democratic National Committee colluded with Hilary Clinton in ordering and paying for the fraudulent Steele Dossier.
- The Federal Bureaucracy is corrupt. Just think of all of the “Deep State” CIA, DOJ, DOS and FBI officials who are in the process of being proven corrupt, tried and, hopefully, sent to prison.
- One needs to look no further than Bill Clinton and Hillary Clinton and their Clinton Foundation. How have these two gotten away with their corruption and lawlessness?
- The Democratic Party, its Politicians, Bill Clinton, Hilary Clinton and The Clinton Foundation were all involved in the Uranium One deal which allowed Russia to acquire a large percentage of the U.S.’ uranium production. For more information on this con job, go to www.factcheck.org.
- The Democratic Party is a “safe harbor” for quite a number of corrupt national politicians. Just check out Peter Schweizer’s new book...”Profiles in Corruption: Abuse of Power by America’s Progressive Elite.” One particular politician...Joe Biden...emerges as the “King of the Sweetheart Deal,” with no less than five family members...James Biden, Hunter Biden, Ashley Biden Krein, Frank Biden and Valerie Biden Owens... benefiting from his largesse, favorable access and powerful position for financial gain.
- The party is also a “safe harbor” for a growing number of corrupt state politicians. For instance, Michael Madigan, longtime Illinois House Speaker and Illinois Democratic party Chairman resigned after he was linked to a case of alleged bribery that resulted in utility company Con Ed agreeing to pay a \$200,000,000 fine.

**YOU’re known by the company YOU keep.
That includes the people YOU vote for.**

Truth #27 – The Democratic Party is the Party of Serial Liars, Leakers and Manipulators...

- With the Democratic Party and its Politicians, the lies start at the very top of the “pyramid”...
 - Exhibit A...Remember when Bill Clinton said “I did not have sexual relations with that woman, Miss Lewinsky.”?
 - Exhibit B...Remember when just before the 2012 Presidential elections, both Hilary Clinton and Susan Rice lied about the reason for the Benghazi, Libya terrorist attack saying it was in response to an “anti-Islam YouTube video.”?
 - Exhibit C...Remember Barack Obama’s promise: “If you like your health plan, you can keep it”? PolitiFact named it the 2013 “Lie of the Year.”
 - Exhibit D...Remember when Joe Biden repeated Barack Obama’s “If you like your health plan, you can keep it” lie word-for-word on July 15, 2019?
- Most Democratic Politicians, like Nancy Pelosi, ADAM SCHIFF, Jerry Nadler, Eric Swalwell, Chuck Schumer and Richard Blumenthal, are bald-faced liars. From time-to-time, they lie on their own about a single issue. More often than not, though, they lie year-after-year about the same issue. We’ve now seen the emergence of the “Team Lie,” also known as the “Chorus Lie,” where large numbers of them repeat a lie over-and-over-and-over again. Those that don’t join in never disagree. They just acquiesce in the lies with their silence, never daring to challenge the lies, the liar(s), or hold them accountable.
- Their lying is dangerous. The world has seen it before. In his autobiography, *Mein Kampf*, Adolph Hitler wrote “The great masses of people will more easily fall victim to a big lie than a small one.” The book was widely read by the German people at the time, but 90% of them believed him anyway. As a result, he was able to lead the extermination of 11,000,000 people between 1933 and 1945. That number did NOT include 5,200,000 German civilian and military deaths.
- As Joseph Goebbels, Adolph Hitler’s Reich Minister of Propaganda, said...
 - “If you tell a lie big enough and keep repeating it, people will eventually come to believe it.”
 - “A lie told once remains a lie, but a lie told a thousand times becomes the truth.”
- As black conservative Thomas Sowell said...
 - “Some things are believed because they are demonstrably true. But many other things are believed simply because they have been asserted repeatedly – and repetition has been accepted as a substitute for evidence.”
- The biggest lie of the last century has been the “Pawns of Satan’s” assertion that Donald Trump and his Presidential Campaign staff colluded with the Russians to win the 2016 Presidential election. That con job really cost us, not just the \$32,000,000+ to hire Robert Mueller and his attorneys to investigate and try to

prove the lie, but the LOSS OF WHAT President Trump and Congress COULD HAVE ACCOMPLISHED FOR OUR BENEFIT had they not been distracted.

- Leaking has become business-as-usual between Democratic Politicians, the Deep State and the Main Stream Media. It's a form of one-upmanship, with Democrats always trying to make the other side look bad or gain a perceived advantage. It's become another "arrow in their quiver of evil."
- Most Democratic politicians have taken / twisted the facts of almost every event that takes place and almost every comment or viewpoint that is communicated by Republican Politicians in general, President Trump in particular, and anyone who supports them, then turned them into false narratives.

How long would YOU put up with a boss, a subordinate, a spouse, a boyfriend, a girlfriend or a son or daughter lying to YOU?

When YOU vote for liars YOU've not only bought their lies, but "co-own" the outcomes.

Truth #28 – The Democratic Party is the Party of Election Fraud and an Attempted Coup...

- The Democratic Party and its Politicians are not above pursuing election fraud whenever and wherever they think they can get away with it.
- On the national elections level, the Democratic Party and its Politicians tried to manipulate / steal the 2016 Presidential election by conjuring up and funding the fraudulent Steele Dossier, a compendium of lies, with the help of Fusion GPS, its President, Glen Simpson, employee Nellie Ohr and her husband, Bruce Ohr, a former Associate Deputy Attorney General.
- In the last few days of his Presidency, Barack Obama and Joe Biden lit the fuse of an attempted coup of Donald Trump.
- Democratic Politicians joined the Democratic Party in voicing/promoting the narrative that the Trump Presidential campaign had colluded with the Russians to influence our 2016 national elections and win the Presidency. In so doing, they lied and lied and lied to every American, Republican and Democrat alike for four loooooong years. Did you buy the lie?
- The Democratic Party's "Deep State" operatives in the FBI and DOJ carried out both surreptitious and patently unlawful investigations of President Trump and his campaign.
- Both FBI and DOJ leaders and their minions lied to the FISA court to get surveillance warrants to pursue Carter Page, George Papadopoulos and others.
- The Democratic Party and its Politicians wasted more than \$32,000,000 of our tax dollars conducting the fraudulent Mueller investigation.
- The Democratic Party and its Politicians made up crimes with which to impeach the President, then pronounced him guilty until proven innocent without due process which included secret depositions, secret hearings and secret whistle-blowers.
- The Democratic Party and its Politicians perpetrated a fraudulent impeachment of President Trump on every American citizen.
- At the state and local elections level, the Democratic Party and its Politicians are a bunch of cheats, especially in keeping dead people on their voting rolls, manipulating voting rolls to their advantage, enabling non-citizens to vote, harvesting ballots and trying to change how the Electoral College functions.
- The Democratic Party and its Politicians used Covid-19 to mandate Universal Mail-In Ballots for the November, 2020 elections. That created the ultimate opportunity for fraud because there was no way to determine who completed and sent in the ballots...U.S. citizens or illegal aliens, Islamic Jihadists, some or all the 369,000 Chinese students enrolled in U.S. colleges and universities and so on.

**When YOU vote for Democrats
YOU not only condone their frauds but enable them.**

Truth #29 – The Democratic Party is the Party with Its Own “Propaganda Arm” aka the Main Stream Media...

- This may be the first time in American history that we have, in the Main Stream Media, a Democratic propaganda arm that rivals what the German media freely or forcibly did for Adolph Hitler and his Third Reich beginning when the Nazis took power in 1933.
- With the Main Stream Media, truth ALWAYS takes a back seat to the narrative of the day which is usually a bald-faced lie or a character attack. On TV, the anchors state the lie and their co-anchors and guests support it by repeating it. In newspapers, the authors state the lie, but wouldn't be able to do so without approval from their editors / editorial staffs.
- Just like Democratic Politicians, the Main Stream Media's anchors and guests “Team Lie,” or “Chorus Lie” just about EVERY NIGHT.
- Again, as Joseph Goebbels, Adolph Hitler's Reich Minister of Propaganda said...
 - “The bigger the lie, the more it will be believed.”
- English novelist and social critic George Orwell predicted all of this when he wrote...
 - “Political Language is designed to make lies sound truthful and murder respectable, and to give the appearance of solidity to pure wind.”

**Sadly, no tragically, serial liars have an abundance
of “Useful Idiots” to prey upon.**

Truth #30 – The Democratic Party’s Main Stream Media Employs a Variety of Propaganda Tactics...

- The Main Stream Media began freeing itself from the “anchor of truth” decades ago.
- The Main Stream Media have become the purveyors of “Fake News” which is broadcast, published and spread via social media in a number of forms...
 - Bald-Faced Lies
 - Biased Statements
 - Character Assassination
 - Defamation
 - False Accusations
 - False Narratives
 - Half-Truths
 - Misrepresentations
 - People Group Destruction
 - Personal Destruction
- The Main Stream Media also either ignores or under-reports the stories that reflect poorly on the “Left,” the Democratic Party and its Politicians. This purposeful “blindness” has included the murders of Bernel Trammel, 5-year old Cannon Hinnant and hundreds of others.
- As Joseph Goebbels, Adolph Hitler’s Reich Minister of Propaganda said...
 - “Think of the press as a great keyboard on which the government can play.”
 - “Propaganda works best when those being manipulated are confident that they’re acting on their own free will.”
 - “Accuse the other side of that which you are guilty.”
- Why, we ask, is the Main Stream Media trafficking in lies, etc.? Like the song...MONEY, MONEY, MONEY, MONNNEY...they have an audience that’s willing to be lied to and advertisers willing to pay big bucks to keep liars on the air.

**How smart are YOU if YOU’re willing
to watch and/or read the Main Stream Media
and believe everything that is said or written?**

Truth #31 – The Democratic Party is the Party with Its Own “Censorship Arm” aka Social Tech...

- Social Tech...Facebook / Instagram, Google / YouTube and Twitter...in pushing just as much, if not more, propaganda on our country's faceless multitudes than the MSM, has become the “Censorship Arm” of the Democratic Party and its Politicians.
- As we've come to understand, Social Tech is biased towards the conservative “Right,” while giving the radical “Left” a pass on almost everything, especially its narratives, which are usually either bald-faced lies, biased statements, character assassinations, defamatory statements, false accusations, half-truths or misrepresentations.
- Late breaking research has disclosed that more than 95% of Facebook's / Instagram's, Google's / YouTube's and Twitter's employees either gave money to and / or voted for Hilary Clinton during the 2016 Presidential election. No wonder their platforms are biased!

**Uncontrollable and unrepentant,
Social Tech will continue to block truth, but let lies flow freely.**

**Truth #32 –
The Democratic Party is the Party with
Its Own Source of “Moral Authority”
aka Hollywood...**

- This “Descriptor” is actually a joke, but a bad one at that.
- Hollywood’s source of “Moral Authority” is none other than Satan himself.
- While many good, uplifting movies have been produced and released by Hollywood, the majority tilt evil, especially those in the horror, new age, porn / soft porn and sitcom genres.
- Can anyone dispute that Hollywood has negatively impacted our culture, especially in its failure to acknowledge God and His moral absolutes?
- Even the Oscars have degenerated into accusations of racism, arrogant assertions of moral superiority, vile accusations and / or four-letter expletives directed at conservatives, especially Trump voters.

**Hollywood is lost.
It’s on the highway to Hell, and**

<<< F L A S H >>>

will be re-opening there soon!

Truth #33 – The Democratic Party is a Party that Is Chock Full of Politicians with Almost ZERO Character...

- The Democratic Party has attracted Politicians who exhibit every character flaw imaginable. Virtually every one of the following can be verified with a Google search...
 - They are Arrogant, Conceited, Proudful...Think Joe Biden, Richard Blumenthal, Hillary Clinton, Sandy Cortez, Dick Durbin, Kirsten Gillibrand, Kamala Harris, Amy Klobuchar, Patrick Leahy, Nancy Pelosi, Ayanna Pressley, Chuck Schumer
 - They Belittle, Bully and Mock...Think Nancy Pelosi, Chuck Schumer
 - They are Cruel, Mean-Spirited, Nasty, Rude and Uncivil...Think Maxine Waters
 - They are Foul-Mouthed...Think Rashida Tlaib
 - They Defame, Libel and Slander...Think Al Green, Beto O'Rourke
 - They Leak, Lie, Manipulate and Scheme...Think David Cicilline, Steve Cohen, Dianne Feinstein, Ed Menendez, Jerry Nadler, Jamie Raskin, Adam Schiff, Eric Swalwell, Elizabeth Warren
 - They Rant, Rage to the point of becoming Unhinged...Think Corey Booker, Bernie Sanders, Elizabeth Warren
 - They Hate and advance Hatred...Think Cori Bush, Jim Clyburn, Mazie Hirono, Hakeem Jeffries
 - They Serve Themselves and Their Families...Think Joe Biden, Ilhan Omar
- One could easily say that the more radically "Left," the worse the character flaw(s) they exhibit.
- Following the Democratic Party's and their Politicians' lead, Hollywood actors and actresses believe they have license to say whatever they want, regardless of how vulgar. Think Alec Baldwin, Robert DeNiro, Bette Midler and Rob Reiner.
- And, that they have license to resort to evil stunts when they think they'll get laughs. Think Kathy Griffin's comedy routine in which she used a severed head of President Trump as a prop.

**YOUR silence in response to the radical "Left's" hateful acts,
rhetoric and stances gives "Leftists" permission
to repeat them ad nauseam.**

Truth #34 – The Democratic Party is the Party of Classless, Meaningless, Tasteless Stunts...

- The Democratic Party and its Politicians love stunts like...
 - The House impeachment investigation and hearings fraud.
 - The Senate impeachment fraud.
 - The kneeling in African garb in the lobby of our U.S. Capitol.
- Does the Democratic Party and its Politicians have ANY discernable class?

Are YOU impressed with the “Left’s” class?

Truth #35 – The Democratic Party is The Party of Community Organizing...

- The Democratic Party became increasingly “Hard Left” with the election of Barack Obama. Obama was a disciple of “Community Organizing,” a power acquisition concept dreamt up by a 1960’s Marxist by the name of Saul Alinsky.
 - In 1971, Alinsky published “Rules for Radicals,” a book for the “Have-Nots” on how to take power from the “Haves.”
 - Alinsky acquired much of his thinking for “Rules for Radicals” from his admiration for the Chicago Mob and personal relationships with some of its members.
 - Very few Americans know that on its dedication page, Alinsky dedicates the book to Satan with the following statement...**“Lest we forget at least an over-the-shoulder acknowledgment to the very first radical known to man who rebelled against the establishment and did it so effectively that he at least won his own kingdom – Lucifer.”**
- Barack Obama taught “Community Organizing” classes in Chicago before moving on to Harvard Law School.
- In 1969, Hilary Clinton, who idolized Alinsky, dedicated her 92-page Wellesly College senior thesis to Saul Alinsky and his community organizing concepts and thinking.
- Thus, Alinsky’s Satan-honoring belief system became the foundation of the political careers of none other than Barack Obama and Hilary Clinton.
- When Barack Obama said, while campaigning in Columbia, Missouri in October 28, 2008, “We are five days away from fundamentally transforming the United States of America,” he was referring to a Saul Alinsky-type of fundamental transformation.
- Between 2008 and 2020, Alinsky’s “Rules for Radicals” became the belief system of the Democratic Party and most of its Politicians. Acting on Alinsky’s belief system has made them “Pawns of Satan.” So too the “Left,” and a majority of the people who vote for Democrats.
- Black Lives Matter has now grown into the best example of what “Community Organizing” is all about.

**Votes for Democrats are investments
in the evil called Community Organizing.**

Truth #36 – The Democratic Party is the Party of Arrogant, Progressive Elites...

- The Democratic Party and its Politicians are people who believe they're smarter than everyone else, that they always know what's best and are never, ever wrong.
- The Democratic Party has attracted most of America's intellectuals.
- Intellectual arrogance can be reduced to a formula...

Where He / She Grew Up
+
His / Her Family's Name and Standing
+
His / Her Family's Net Worth
+
The Number of Degrees He / She Has
+
The Prestige of the Colleges/Universities at Which He / She Earned the Degrees
+
The Business or Professional Position He / She Personally Holds
+
His / Her Personal Net Worth
+
The Personal Connections He / She can Tout
-
His / Her Belief in God and Whether He / She is Living Out God's Biblical Principles
-
His / Her Humbleness Quotient
+
Ditto the Person He / She is Married to or Dating
=
Level of Arrogance

- Most will remember Hilary Clinton's September 9, 2016 LGBT fundraising event in New York City where she defined Trump voters as being a "Basket full of deplorables."
- Interestingly enough, arrogant intellectuals are the people whom NEW TYRANTS come for first. Consider the targets of Pol Pot at www.history.com.

**The Bible, in Proverbs 16:18, states
"Pride goeth before destruction, a haughty spirit before a fall."**

Truth #37 – The Democratic Party is the Party of “Leftist” College Professors and “Woke” College Students & Graduates...

- Much of today’s “Leftist” thinking and narratives have been birthed in gender, history, philosophy and race-focused college courses taught by “Leftist” college professors.
- While words like “Political Correctness” were first used by Valdimir Lenin, the Communist, in his rise to power during the Marxist revolution in Soviet Russia, much of today’s “Leftist” lexicon originated in the aforementioned college courses...
 - Cancel Culture
 - Cisgender
 - Dead Name
 - Gaslight
 - Gender Binary
 - Gender Spectrum
 - Identity Politics
 - Intersectional
 - Marginalization
 - Nonbinary
 - Pansexual
 - Performative Activism
 - Political Correctness
 - Race Baiting
 - Race Card
 - Systemic Oppression
 - Systemic Racism
 - Toxic Masculinity
 - Virtue Signaling
 - Whiteness
 - White Feminism
 - White Fragility
 - White Privilege
 - White Supremacy
 - Woke
- Given that most high school graduates arrive at college having been indoctrinated by “Leftist” teachers, they are moist clay in the hands of their “Leftist” college professors.
- As we’ve seen, the “Left’s” lexicon has spread from college campus to college campus and is now nationwide.
- As the “Left’s” lexicon gained popularity, college students organized and started excluding / marginalizing / ostracizing students who didn’t agree with them. They not only labeled them as such and such and so and so, but “cancelled” them.
- While words like “Playing the Race Card” were first used in the O.J. Simpson murder trial to describe his defense attorneys’ tactics, the “Left’s” lexicon has now spread throughout our culture via “Leftists” who have either been influenced by or followed O.J.’s defense attorneys’ lead.

**By not taking issue with the lexicon...the cancelling, the excluding,
the labeling, the marginalizing and the ostracizing...
YOU are empowering it.**

Truth #38 – The Democrat Party is the Party of Public Entity Employees and Teachers Unions...

- President John F. Kennedy allowed Federal employees to engage in collective bargaining via Executive Order on January 17, 1962.
- I'm not anti-trade union, but do have concerns about federal, state and local public entity employees and teachers unions.
- My concern is allegiance, i.e., who do they believe they work for and answer to? In the case of the unionized federal government employees the options are...
 - Whichever party controls the Presidency?
 - Whichever party controls the House and / or Senate?
 - The Federal Government / Bureaucracy?
 - U.S. Taxpayers?
 - All U.S. Citizens?
- I suggest that their allegiance is pledged to those who will protect and further their best interests...their jobs, their paychecks, their benefits and especially their retirements.
- One indication of where Federal employees' allegiance lies is that 90.9% of Washington DC voters voted for Hilary Clinton in the 2016 Presidential Election.

**Government employees and teachers
have advantages and benefits that other U.S. citizens don't.
The Democratic Party not only created the status quo, but protects it.
Are YOU in favor of leveling the playing field
with all U.S. citizens being treated the same?**

Truth #39 – The Democratic Party is a Party of Power-Hungry Control Freaks...

- Some of our fellow human beings are born with a unique gene which I'll call the "Control Gene." From our respective life experiences, we've all crossed paths with them and we've all learned what they're like and how they operate. Whatever the driving force or trigger... fear or lust or paranoia or pride or ???...they are not easy to live with or be around.
- What the radical "Leftists" want, what they lust for, is the power to think for you, to speak for you and to act for you. They want to impose their collective will on you. They want you to COMPLY. They want to force you to let them do anything they want, regardless of the consequences. "Robot" would be the perfect descriptor for what they want us to be, and the sooner the better.
- A few of the control freaks have morphed into some of the most evil human beings to ever live on our planet...
 - Adolph Hitler
 - Ayatollah Ruhollah Khomeini
 - Caligula
 - Genghis Kahn
 - Idi Amin
 - Ivan the Terrible
 - Josef Mengele
 - Joseph Stalin
 - Kim IL Sung
 - Leopold II of Belgium
 - Margaret Sanger
 - Nero
 - Sadam Hussein
 - Tomas de Torquemada
 - Vlad III, Prince of Wallachia aka The Impaler

These monsters' lust for control of / over other human beings has left a trail of death and destruction in their wakes that totals in the hundreds of millions of human beings.

- The Democratic Party and its Politicians have a lust for power that is also insatiable. They will do anything and everything at every level of government to win it and keep it, even if illegal. Fortunately, the Party has not produced an Adolph Hitler, but such a monster could be coming up through its ranks, or the ranks of Antifa or Black Lives Matter, this very day.

**If a modern-day Adolph Hitler or Joseph Stalin
rises to power in America,
it will be because of Democrat voters.**

**Truth #40 –
The Democratic Party is a Party that
Champions “Fake” Problems
to Attract and Control Votes...**

- The “Left” champions “fake” problems whenever they think they can get away with it.
- Acting on the warnings of fear mongers that there is a global climate crisis, the “Left” has proposed the Green New Deal.
- Now they want us to vote for Democrats so that they can spend \$94 trillion over ten years to make the Green New Deal happen.
- What’s the likelihood that the Democratic Party and its Politicians can convince China, India, Russia or any of the other 192 countries to put up any money let alone implement their plans? ALMOST ZERO.
- So, the radical “Left” wants us to vote for Democratic Politicians so that they can tear down America as we know it, then try to build the modern-day equivalent of “The Tower of Babel” in its place.
- Lastly, I’d say that the “Left” is smoking something pretty strong to believe that they have the collective intelligence and power of Almighty God to address a global threat, questionable or not.

**Are Democrat voters the suckers that
the Democratic Party obviously believes them to be?**

Truth #41 – The Democratic Party is a Party that Promises “Payoffs” to Attract and Control Votes...

- The Democratic Party and its Politicians desperately want to attract and keep votes because votes generate power and power enables them to control not only their “believers,” but those who don’t agree with them or like them.
- What does the Democratic Party do to attract and keep votes? They make promises that they can’t or don’t intend to keep, but that doesn’t matter as long as they attract the votes in the first place...
 - \$30 trillion for Medicare for All over 10 years
 - \$18 trillion for Universal Basic Income over 10 years
 - \$1.6 trillion forgiveness of College Loan Debt
- Oh, and free college? As things stand, most colleges aren’t worth the tuition being charged and “free” college won’t change that. Why? Because most colleges are NOT teaching the knowledge, critical thinking and skillsets that graduates need to make a living.
- We’re also hearing the idea of “reparations” being floated by the Democratic Party, its Politicians and its voters. And who would be forced to pay for that? Taxpayers, of course. Actually, “reparations” may be justified if paid by the following in the following order...
 - African countries whose tribes sold their people or enemies into slavery
 - The slave trading countries of Denmark, England, France, Portugal, Spain and The Netherlands
 - The Democratic Party including the Democratic National Committee
 - EVERY Democratic Politician
 - EVERY Democrat Voter

The descendants of the Abolitionists, the Union soldiers who were killed or maimed for life in battle during the Civil War, every Republican Politician and every Republican voter would be entitled to a free pass.
- Democrat voters know that their votes can put money in their pockets. Do you know what Benjamin Franklin said about that? “When the people find that they can vote themselves money that will herald the end of the Republic.”

**The Democratic Party obviously believes that
its voters are not just suckers, but fools to boot!**

Truth #42 – The Democratic Party is a Party that Embraces a 4-Step Approach to Dealing with Evil...

- Their 4-Step approach is...
 - 1st... Ignore it.
 - 2nd... Pretend it's not real.
 - 3rd... Downplay it.
 - 4th... Co-opt it when it can be used to either accumulate or protect power.
- Is the Democratic Party's and their politicians' "Ignore > Pretend > Downplay > Co-Opt" strategy clever, cunning or what?
- What I do believe is that this modus operandi is downright diabolical.
- Remember when Barack Obama referred to ISIS as the "JV Team?"
- Then there was the Iran Deal, "Iran Joke" might be a better label. How in the world could the Democratic Party and its Politicians allow Barack Obama, Joe Biden and John Kerry to negotiate the Iran Nuclear Deal under which Iran accepted temporary restrictions in building a nuclear weapon in exchange for permanent benefits starting with paying them off with \$150 billion in cash?
- Remember Joe Biden's recent statements?... "China is going to eat our lunch? Come on, man. I mean, you know, they're not bad folks, folks. But guess what? They're not competition for us." Given its 4-step modus operandi, what do you think the Democratic Party's co-opt is going to be?
- Let's not forget the fact that the Democratic Party and its politicians have bought into the Islamophobia narrative. It's like they're afraid to call evil, evil, a spade a spade. Not only have they allowed Muslim immigration to continue unchecked, but allowed Islamic countries and Islamist organizations to infiltrate and influence not just our federal bureaucracy, but our colleges and universities.
- The Democratic Party's and their politicians' latest cons are saying that Antifa either doesn't exist or is harmless and that Black Lives Matter and its protests are peaceful. Nightly TV news proves that the chaos is real, the property destruction is real and that the personal injuries and deaths are real. If they can tell obvious lies, what else are they lying, or willing to lie, about that isn't so obvious?
- So, what we're seeing in NYC, Seattle, Portland, Denver, LA, Austin, Chicago and so many other Democrat-controlled cities is not just the Democratic Party and its Politicians allowing the Antifa / Black Lives Matter chaos, but co-opting it for political purposes and broadcasting lies like "the chaos is President Trump's fault."

Their 4-step approach advances the spread of evil.

**Truth #43 –
The Democratic Party is the Party of
the Social Justice Warrior,
the Tyrannical Personality Type Which
Plato Warned About...**

- Following is a list of Social Justice Warriors with tyrannical personalities...
 - Abu Bakr al-Baghdadi
 - Adolph Eichmann
 - Adolph Hitler
 - Attila the Hun
 - Ayatollah Ruhollah Khomeini
 - Che Guevara
 - Fidel Castro
 - Heinrich Himmler
 - Joseph Stalin
 - Karl Marx
 - Mao Zedong
 - Maximilien Robespierre
 - Muhammad
 - Osama Bin Laden
 - Talat Pasha
 - Vladimir Lenin

- All were fighting for one form of social justice or another. Virtually every one of these tyrants left a trail of death and destruction, some of them in the tens of millions of people.

**Keep voting for Democrats and YOU might just
get another one of these tyrants,
right here in America of all places!**

Truth #44 – The Democratic Party is a Party that Promotes the Lie that America is Systemically Racist...

- Doesn't it seem incredibly dishonest that the only nation that has opened its country to people of every background, ethnicity and corner of the world to the blessing of U.S. citizenship and the freedom to pursue their dreams, is now being accused of systemic racism?
- As we should know, slavery was not an American idea. It started with the GREED of African tribes selling their unwanted tribesmen as well as capturing/selling enemy tribesmen to slave traders for profit. The slave traders were not Americans. They were a mix of British, Danish, Dutch, French, Portuguese and Spanish seafaring pirates and traders.
- Jamestown was established by the Virginia Company of London on May 4, 1607. It was the first English Colony in North America. Africans from what is now Angola arrived in Jamestown in 1619.
- Between 1619 and 1776, the slave traders bought millions of Africans and sold them in Europe and the colonies of what was to become the United States of America. So, slavery was established in the colonies before the Revolutionary War freed the colonies from the tyranny of the British crown.
- The drive to end slavery began in the Christian community in the 1680s.
- America's founders knew slavery was evil and while they were powerless to end it immediately, they included beliefs and verbiage in the Declaration of Independence and the U.S. Constitution which would eventually become the justification and rallying cry to end slavery.
- Between 1780 and 1804, all of the Northern states passed legislation abolishing slavery.
- Abolitionism as a political movement began in 1831.
- Americans who were against slavery could not convince the Democratic Party and its Politicians to end slavery and were ultimately forced to go to war over it.
- Despite winning the Civil War, ending slavery and freeing all slaves, the Republican Party and its Politicians have had to fight the Democratic Party and its Politicians tooth and nail on virtually every issue that they put forward to END the effects that slavery had on the enslaved and their descendants.
- The "Left" levies the charge of systemic racism, but hasn't defined what systemic racism is, who's put it in place and who's perpetrating it. Ditto any facts to back up their charges.

**Charges of systemic racism is the con job of the century.
Have YOU bought this lie of lies?**

Truth #45 – The Democratic Party is a Party that is Leveraging the “Left’s” Accusation of Racism to Attract and Control Votes...

- In the Democratic Party’s and its Politicians’ lust for power, they have co-opted “racism” as the narrative aka the “bait” to attract millions of votes.
- In alleging “racism,” they are using a number of words that we only recently started hearing including cancelling, critical race theory, systemic racism, whiteness, white fragility, white privilege, white supremacy and so on.
- They are using these words to brand, bully and otherwise intimidate their political adversaries. It’s a strategy that was born in the PIT OF HELL.
- What’s absolutely astounding about their strategy is that they’re using the “racist” label to demonize the Republican Party, the party whose Politicians and voters took on the Democratic party, its Politicians and voters over the evil of slavery, defeated them in the Civil War, freed every slave from captivity and banned the institution of slavery from our shores forever.
- By infusing “racism” into the political process, the Democratic Party and its Politicians have begun to foment class, cultural and ethnic warfare. Think that’s ridiculous? Consider the 15 people who’ve died since George Floyd’s death on a street in Minneapolis...
 - David Dorn (St. Louis)
 - David McAttee (Louisville)
 - Chris Beaty (Indianapolis)
 - Dorian Murrell (Indianapolis)
 - Italia Kelly (Davenport)
 - Marquis Tousant (Rock Island)
 - Patrick Underwood (Oakland)
 - Calvin Horton (Minneapolis)
 - James Scurlock (Omaha)
 - Javar Harell (Detroit)
 - Barry Perkins (St. Louis)
 - Jorge Gomez (Las Vegas)
 - Marvin Francois (Kansas City)
 - Jose Gutierrez (Chicago)
 - Victor Cazares (Cicero)

**If YOU’ve bought into the racism narrative,
give thought to what’s behind it, what’s driving it
and the “fruit” that it’s producing.
Please reject it before it takes us all down
the road to another civil war.**

Truth #46 – The Democratic Party is a Party that Treats Bad Actors as Victims and Increasingly as Heroes...

- Just think, if any of the following had been compliant and respected the direction / requests of the authorities (police officers or otherwise) involved in the matter, they would still be alive and / or unharmed...
 - Treyvon Martin
 - Michael Brown
 - Janisha Fonville
 - Freddie Gray
 - Eric Garner
 - Aura Rosser
 - Michelle Cuseaux
 - Walter Scott
 - Alton Sterling
 - Philandro Castile
 - George Floyd
 - Rayshard Brooks
 - Daniel Prude
 - Jacob Blake
- A number of these people like Michael Brown, George Floyd and Rayshard Brooks were high on alcohol and / or drugs.
- Despite his sordid past, George Floyd has been lionized.
- During a face-to-face meeting, Kamala Harris told Jacob Blake that she was “proud of him.” Blake, who is accused of breaking into a sleeping woman’s house, sexually assaulting her and humiliating her, later returned to harass her. She called the cops for help. The cops said that “Blake resisted arrest, assaulted them and went for his knife.”
- As mentioned in Truth #16, George Soros has spent millions helping “Leftist” attorneys get elected as District Attorneys.

**Democrats have become increasingly weak in dealing with evil.
Votes for Democrats will allow evil to grow and dominate us.**

Truth #47 – The Democratic Party is a Party that has Succumbed to Marxism Under Threats from the “Left”...

- The Democratic Party has been overrun by radical “Leftists” who are driven by Marxist ideology which, in short, is Satan’s dream of a man-made earthly utopia that is freed from God and His absolutes. Whatever is right in their eyes, however evil, will govern.
- Just recently the Democratic Party, its Politicians and Joe Biden CELEBRATED, yes CELEBRATED the endorsement of Angela Davis, the 1960s radical and current member of the Communist Party USA.
- The Democratic Party and its Politicians “own” Antifa. Believe it or not, none of its Politicians or its operatives have said a SINGLE WORD denouncing Antifa or the chaos, property damage, personal injuries and deaths it has levied and is still levying on the cities they’ve targeted.
- The Democratic Party and its Politicians don’t seem to be even the least bit interested in knowing, let alone demanding an investigation of who or what is behind / funding Antifa. Could it be the Democratic Party itself, its “Leftist” billionaire financiers (George Soros), Middle Eastern or Asian Islamists, the Chinese Communist Party, the Iranian regime, the Russians, the Mexican drug and / or sex trafficking cartels or some combination thereof? In my humble opinion, “something evil this way cometh” and there’s no doubt that the Democratic Party and its Politicians have, per Truth #42, co-opted it.
- The Democratic Party and its Politicians have all but endorsed Black Lives Matter and their chaos-generating marches which have degenerated into riots that have wreaked billions of dollars in property damage, countless personal injuries and increasing numbers of deaths.
- So, what is Black Lives Matter’s short-term game plan? Is it to riot hard enough and long enough so that the government they’re targeting will eventually give in and give them what they want? The best example of the results of that game plan is that it took Bill DeBlasio, the Mayor of New York City, all but a couple of days to fall to the ground in a fetal position and agree to defund the NYPD to the tune of \$1 billion.
- Have you noticed that almost all of the people involved in the Antifa and Black Lives Matter protests are WHITE FOLKS?

**Marxism, and its evil offspring
...Communism, Fascism and Socialism...
is the “snake” that never dies.
Votes for Democrats will give the “snake”
the power to poison and / or devour us.**

Truth #48 – Black Lives Matter is the Marxist Community Organizing Vehicle that Barack Obama and Hilary Clinton have been Dreaming of...

- On October 28, 2008, then-Senator Barack Obama said “We are five days away from fundamentally transforming the United States of America.” What he left out were the words “with Marxist Community Organizing.”
- Whether Barack Obama or Hilary Clinton had anything to do with its birth, Black Lives Matter arrived on the scene in 2013 to fulfill the “Community Organizing” dream that Barack and Hilary have been championing their entire careers (Summarized in Truth #35).
- In terms of the facts about Black Lives Matter and what it’s up to, I can’t say it any better than a new investigative report from the David Horowitz Freedom Center titled “Black Lives Matter: Marxist Hate & Lies Disguised as “Racial Justice.” The report is available for \$3.00 each (\$1.00 each for orders of 25 or more) from elizabeth@horowitzfreedomcenter.org.
- Here’s what the David Horowitz Freedom Center’s announcement letter had to say about the their new investigative report...
 - In his just-released report on Black Lives Matter, author John Perazzo exposes the BLM movement as a racist, anti-semitic, anti-family and anti-capitalist attack on the very foundations of American Democracy.
 - Black Lives Matter’s name, explains Perazzo, is a “carefully crafted deception,” designed to draw attention away from the fact that BLM is a hardcore Marxist movement whose overriding mission is to raze American society and its traditions to the ground, and to erect a Communist utopia upon those ruins. Toward that end, BLM works tirelessly to discredit the United States as an irredeemably racist wasteland founded upon nothing but slavery, genocide, and all manner of oppression.
 - A number of BLM’s demands are very clearly modeled on elements of the famous “Ten-Point Program” put forth by the Black Panther Party in the 1960s. These include such overtly socialist and racist agenda items as the guarantee of taxpayer-funded housing, education (through the college level), and “living-wage employment” for all black people.
 - BLM openly rejects “the Western-prescribed nuclear family structure,” advocating instead the Socialist ideal of “villages” serving as “extended families” that “collectively care for one another.” In other words, BLM repudiates the singular value that, if it were to be embraced, would offer black Americans the principal tools they need in order to create for themselves a prosperous and fulfilling life.
 - BLM is infested with Jew-hating anti-Semites who falsely accuse Israel of such abominations as “colonialism,” “apartheid,” “ethnic cleansing,” “land theft,” and “denial of Palestinian humanity.” It also supports the Boycott, Divestment & Sanctions (BDS) movement, a Hamas-inspired initiative to permanently destroy Israel as a Jewish nation-state.

- BLM's anti-police rhetoric and violent activities have had devastating consequences for black Americans as a whole. In the aftermath of protracted BLM protest / riot campaigns in 2015 and again in 2020, police officers in many U.S. cities...fearful of having their lives and reputations permanently destroyed by frivolous charges of racism...became highly reluctant to engage criminal suspects except in cases where absolutely necessary. As a result, the incidence of homicide and other violent crimes skyrocketed across urban America. And the vast majority of both the victims and perpetrators of such crimes were black.
- The only black lives that matter to BLM are the infinitesimally small number that are ended by the actions of white people, particularly white police officers. Meanwhile, the thousands of blacks whose lives are terminated by black killers each and every year are never mentioned by BLM...no matter how brutally, mercilessly or senselessly those lives may have been snuffed out.
- It is indeed a tragedy that a movement so evil and ruinous has been able, with the help of a compliant mainstream news media, to dupe millions of Americans into embracing it as a crusade for 'racial justice,'" concludes Perazzo. "In reality, BLM is the very embodiment of Marxism, anti-Semitism, and racism... a trifecta of wickedness capable of destroying any society."
- The David Horowitz Freedom Center lists the following key facts about Black Lives Matter in its announcement...
 - BLM was founded by three hardcore Marxist black women...Alicia Garza, Patrisse Cullors and Opal Tometi.
 - BLM co-founder Patrisse Cullors candidly stated in a 2020 interview that BLM's goal "is to get [President] Trump out" of office.
 - Individuals seeking to donate funds through the BLM website are transported to the web page of ActBlue Charities, an organization that facilitates donations to "democrats and progressives," and which gave at least \$119 million to the presidential campaign of Democrat Joe Biden. This has led to much speculation that donations to BLM may end up in the coffers of the Democratic National Committee and its political candidates.
 - BLM makes demonstrably false and incendiary claims about the police and white-on-black crime. Statistics show that blacks are actually *less likely* to be fatally shot by the police than whites when the proportion of violent crimes committed by each race is taken into account. Furthermore, an officer's chance of getting killed by a black assailant is 18.5 times higher than the chance of an unarmed black getting killed by a cop.
 - BLM's anti-police rhetoric has emboldened criminals and made police officers less likely to engage with criminals, leading to dramatic spikes in violent crime and homicide rates in cities across the United States.
 - BLM has inserted itself into public school classrooms where children as young as five are being schooled in the organization's radical propaganda.
 - BLM uses the playbook of radical activist and "godfather" of community organizing, Saul Alinsky, in exaggerating the significance of negative police interactions with the public and characterizing these as emblems of supposedly widespread police misconduct.
 - BLM is demonstrably anti-Semitic in both its rhetoric and its actions.

- BLM openly calls for complete dismantling of the nuclear family system...an extension of Marxist ideology that sees the abolition of the family as a natural outgrowth of the abolition of private property.
- BLM leaders view themselves as the reincarnation of the murderous Black Panther Party and have applauded the destruction caused by rioters for “social justice.”
- Last, but not least, is the fact that Black Lives Matter DOES NOT CARE about the black community. If it did...
 - It would be rallying at the National Mall in Washington DC demanding the end of the abortion / murder of black babies, the number of whom now exceeds more than 20,000,000 since January 27, 1973, the day the U.S. Supreme Court decided Roe v. Wade.
 - It would be rallying black communities in Chicago and other big cities to put an end to black-on-black murders, even if it took calling in the National Guard to control / end them.
 - It would be promoting the necessity of honoring black women, promoting black marriage, promoting the nuclear family, promoting the importance of fatherhood, lifting up fathers and fighting against pre-marital sex, out-of-wedlock births and extra-marital sex.
 - It would be fighting for President Trump, not Joe Biden.
 - It would be fighting for Republican majorities in the U.S. House and U.S. Senate.
 - It would be reaching out to the white community in forgiveness and love rather than hate.

**BLM’s roots are planted in evil “soil.”
Votes for Democrats will fertilize that “soil.”**

**Truth #49 –
The Democratic Party is a Party that
has Acquiesced in BLM's Demand
to “Burn Down the System”...**

- Black Lives Matter started making headlines in 2015 after leading a protest in St. Paul, MN during which they chanted, referring to police officers...“Pigs in a blanket, fry ‘em like bacon.”
- Patrisse Cullors, one of BLM's three founders, said in a 2015 video...“The first thing, I think, is that we actually do have an ideological frame. Myself and Alicia in particular are trained organizers. We are trained Marxists. We are super-versed on all sorts of ideological theories.”
- Hawk Newsome, President of BLM Greater New York said...“If the US doesn't give us what we want, then we will burn the system down and replace it.”
- In total agreement, CNN anchor Don Lemon repeated Newsome's threat verbatim on national TV.
- The Democratic Party, and virtually all of its Politicians, have been totally silent on the BLM movement.

**If YOU want our system burnt down,
keep voting for Democrats!**

Truth #50 – The Democratic Party is a Party that De-Humanizes Whole “Classes” of Human Beings When It Advances Their Lust for Power and Control...

- Today, most people are unaware that of the 11,283,000 people exterminated by the Nazis, 5,000,000 were not even Jewish. In Dachau, one of the largest and most infamous of all concentration camps, only one-third of the prisoners were Jewish.
- The Nazis de-humanized a number of different classes of people by initially forcing them to wear colored triangle arm bands for identification. The colors and descriptors for each were...
 - Yellow Triangles: Jews
 - Brown Triangles: Gypsies and those of Roman descent
 - Purple Triangles: Catholic Priests and Christian Leaders who ran afoul of the government
 - Black Triangles: Vagrants
 - Blue Triangles: People who moved to Germany from other countries
 - Red Triangles: Political non-conformists including Trade Union members and Democrats
 - Pink Triangles: Homosexuals and suspected perpetrators of sexual offenses like pedophilia and rape
 - Green Triangles: Common thieves and murderers
- In America, black slaves were the first to be de-humanized and the Democratic Party and its Politicians fought Abraham Lincoln and his Republican Party tooth and nail to keep them enslaved.
- Next in line to be de-humanized were unwanted, UNBORN babies. In 1970, the State of New York legalized the abortion of unborn babies up to the 24th week of pregnancy. Since then, more than 60,000,000 babies have been murdered, on demand, by their mothers and fathers.
- The next victims of the Democratic Party's de-humanization were UNBORN babies that were likely to be born with mental or physical impairments.
- The next to be de-humanized were targets of molestation, pornography and rape, whether via sex trafficking or otherwise.
- Next in line to be de-humanized were UNBORN babies that were deemed to be the “wrong” gender.

- Now at risk of dehumanization are:
 - NEWBORN babies, especially those who, according to their parents, are either the “wrong” GENDER, or who have mental or physical deficits.
 - The disabled and the infirm, both mentally and physically.
 - The elderly who have either outlived their usefulness or have become too costly to keep alive.
- Will the future bring demonization and dehumanization of...
 - Republican Politicians?
 - Republicans in general?
 - Trump voters?
 - Conservative broadcasters, hosts and pundits?
 - Jews?
 - Christians?

**Do YOU think mass extermination can't happen in the U.S.?
It's possible if YOU continue voting for Democrats.**

**Truth #51 –
The Democratic Party is a Party that
will Try to Silence and Destroy You
if You Dare Disagree with Them...**

- The “Left’s Cancel Culture” is the latest in the Democratic Party’s and its Politicians’ willingness to de-humanize those who don’t agree with them.
- Some are now saying that Cancel Culture is not about addressing criticism, but about punishing people for failing to agree with the “Left’s” narratives, having a different opinion, taking a different stance and / or not being sufficiently “pure thinking.” The punishment is taking different forms...destroying a person’s credibility, reputation, status and / or job / livelihood. One conservative called these tactics “Social Murder.”

**Could the “Cancel Culture” come for YOU some day?
Absolutely, if YOU continue voting for Democrats.**

Truth #52 – The Democratic Party is the Party that Criticized President Trump for Every Thing at Every Opportunity...

- Why has this one man been so vilified by the “Left?”
- Why are they so angry with him?
 - Could it be because he dared to challenge their lust for power and control over you, me and everyone else?
 - Could it be because he started to make progress in draining “The Swamp?”
 - Could it be because he began to disrupt big government and end “business as usual?”
 - Could it be because he challenged the partisan “gravy trains?”, or
 - Could it be as simple as they just didn’t get their way?
- Why are they so frustrated with him? Could it be because they weren’t able “bury” him via criticism, harassment, lies and an attempted impeachment?
- Are they jealous of him? If so, could it be because his numerous successes made them look bad?
- Such treatment of a President by the Democratic Party and its Politicians, aka today’s “Left,” is not new. Abraham Lincoln took enormous verbal punishment from the Democratic Party and its Politicians in his attempts to abolish slavery and preserve the union. I think it’s safe to say that they HATED HIM too. In the end, a “Leftist” by the name of John Wilkes Booth assassinated him for succeeding.
- Interestingly enough, Donald Trump’s Presidency morphed into one of trying to prevent the ideological constructs of slavery known as Marxism and its offspring...Communism, Fascism and Socialism...from destroying our country and ending our Constitutionally guaranteed freedoms.
- Donald Trump isn’t, and never claimed to be a perfect man. To compare him with some of the Biblical giants, Moses KILLED an Egyptian. King David LUSTED for Uriah’s wife, Bathsheba, ARRANGED for Uriah to be sent to the front lines of a battle where he was killed. David then MARRIED Bathsheba which union produced King Solomon. Despite the “Left’s” feet-dragging, stonewalling, stunts and vitriol, President Trump was extremely consistent in always trying to do the right thing for us. He succeeded in preserving OUR country, OUR freedoms, OUR finances, OUR opportunities and OUR safety and security for at least the short term.

**Do YOU hate Donald Trump? If so, ask YOURSELF why?
Just like President Lincoln in his day,
President Trump’s efforts did not and do not deserve YOUR hatred.**

Truth #53 – The Democratic Party is a Party that Co-Opted Covid-19 to Influence the Outcome of the 2020 Presidential Election in Its Favor...

- We don't know everything that will eventually become known about the Covid-19 scare, but following is a list of what appear to be the facts...
 - Covid-19 was created by the staff of a Chinese government-controlled virology lab in Wuhan, China.
 - Our CDC helped fund the lab's risky Covid "gain of function" research to the tune of millions of U.S. taxpayer dollars.
 - Covid-19 was released either accidentally or as a bioweapon to wreak havoc and death throughout the world and especially the U.S.
 - The Chinese did not give the world, or the U.S., an early warning of the virus' existence or threat to life.
 - Covid-19 was spread by some, if not most, of the 369,000 Chinese students who flew back to the U.S. the first ten days of January, 2020 to resume their classes at American colleges and universities.
 - President Trump reacted to the threat immediately by closing our borders to travelers from China and later expanded the travel ban to travelers from Europe.
 - President Trump relied on the advice and experience of CDC's expert physicians.
 - President Trump did everything humanly possible from the Federal level to successfully deal with the virus and its health and financial impacts.
 - President Trump gave the governors of all 50 states unrestricted power to manage the Covid-19 threat in their respective states as they and their legislatures saw fit.
 - The U.S. death toll statistic is way overblown due to the fact that reporting has pin-pointed Covid-19 as "THE" cause of death, when the facts are that in most cases it was either just present at the time of death or one of SEVERAL causes of death.
 - The great majority of the U.S. population, especially the young, are at extremely low risk of Covid-19 infection. The highest risk populations are the elderly and those with one or more chronic diseases / comorbidities.
- Per Truth #42 above...
 - The Democratic Party initially ignored Covid-19 because they were fixated on trying to impeach President Trump.
 - When President Trump instituted the Chinese travel ban, Joe Biden contended that Covid-19 was only

- a POSSIBLE threat and accused President Trump of hysteria, xenophobia and fear mongering.
- When President Trump instituted the European travel ban, Joe's staff condemned President Trump's decision as "not the right move."
 - Over time, the Democratic Party and its Politicians decided to co-opt Covid-19 for political advantage.
 - As it's unfolded, their co-opt strategy is two-pronged...
 - At the national level, they weaponized Covid-19 politically by creating a FALSE NARRATIVE that blamed President Trump for the pandemic. That meant alleging that everything was his fault, i.e., he ignored the early warning signs, he didn't take it seriously, he didn't respond fast enough, he didn't follow the science, he didn't listen to his experts, he didn't develop or implement a viable strategy, he intentionally misled the American public, he made a bad situation worse, he was not part of the solution / he is part of the problem and he didn't lock down the country. If Satan is the "father of lies," the Democratic Party, its Politicians and the Main Stream Media have usurped Satan's title.
 - At the state level, blue state governors and their legislatures as well as county, city and school district boards and their executives created a FALSE NARRATIVE that said that Covid-19 was so deadly that they had the power to take a heavy-handed approach to dealing with it. With "hammers" like mask mandates, social distancing mandates, mandates making a laundry list of businesses off-limits and mandates outlawing large gatherings such as church services, graduations, parties, weddings and the like, such states hijacked their residents' Constitution rights by making it illegal to exercise them.
 - By restricting our freedoms, blue state governments engaged in tyranny.
 - If you've been paying attention, Antifa and Black Lives Matter have gotten a FREE PASS to riot, injure, loot, maim and murder. When it came to them, Covid-19 didn't exist and there have been no blue state restrictions on them.

**The Democratic Party and its Politicians
have a lust for power that is growing increasingly evil by the day.
YOU have the power to stop them
by retracting YOUR support and making YOUR voice heard.**

Truth #54 – The Democratic Party is a Party that Promoted a Presidential Candidate Who Does Not Have the Mental Acuity to Lead Our Country...

- Joe is suffering a serious decline in mental acuity right before our eyes.
- While gaff-prone much of his 47-year political career, this is different. For example, on August 31, 2020, in Pittsburgh, PA, Joe said:

“Covid has taken this year, just since the outbreak, has taken more than 100 year, look, here’s, the lives, it’s just, when you think about it.”

This is but one of numerous examples which continued daily up to election day. Most “Leftists” didn’t know about it because the Main Stream Media hid it.

- The Democratic Party and its leaders knew that Joe’s mental acuity was declining. They also knew that the country would never elect Bernie Sanders President so they cut a deal with Bernie to let Joe win the remaining primaries and the party’s nomination. It appears that they promised Bernie that they would embrace his demands via legislation AFTER Joe’s election.
- Joe has become the first “Puppet President” in U.S. history.
- Odds are that his “Puppeteers” (Barack Obama and his former confidants) decided / planned, pre-election, how they would bully, manipulate as well as depose him after his election.
- Whether a slip of the tongues or not, Joe referred to his run for President as the “Harris / Biden Ticket” and Kamala Harris referred to her role as the “Harris Administration with Joe Biden as President.”
- Joe will not be able to hold off or negotiate with the radical “Left.” Both Bernie Sanders and Sandy Cortez have said, in so many words, that they can bully Joe into doing whatever they want.

**Do YOU sense that the “Left” has played YOU?
If YOU do, and YOU’re still going along with it,
YOU will “own” its repercussions,
especially if they’re bad.**

**Truth #55 –
The Democratic Party is a Party that
“Projected” Conspiracy Theories
to Attract and Control Votes
During the 2020 Presidential Election...**

- As November 3rd approached, the Democratic Party, its Politicians and the Main Stream Media concocted all manner of conspiracy theories. Of course, most of them were aimed solely at President Trump...
 - He will postpone the elections.
 - He's going to get a new Supreme Court justice approved to sway the outcome in his favor if the Supreme Court is called upon to weigh in on the legitimacy of the election results.
 - He will refuse to leave office if he loses the election.
 - The Army, Navy, Air Force and Marine Corps will have to physically drag him out of the White House.
- Others employed a manipulative technique called PROJECTION which involves the accuser accusing (projecting onto) the accused of what the accuser is actually doing. Again, they were aimed at President Trump plus anyone aligned with or supporting him...
 - He and his operatives are going to engage in voter fraud.
 - He and his operatives are going to harvest ballots.
 - He and his operatives are going to bribe USPS employees to lose mail-in ballots.
 - He and his operatives are going to deploy ways to mis-count votes.
 - He and his operatives are going to stoke violence if it's a close race that isn't decided on November 3rd.

**Again, the Democratic Party's lust for power and control is insatiable.
They will accuse, bully, cheat, lie and manipulate for it
throughout Joe Biden's presidency.**

Truth #56

The Democratic Party is a Party that Leveraged Evil to Attract and Control Votes During the 2020 Presidential Election...

- The Democratic Party and its Politicians traded support for abortion and infanticide for votes. How many votes was that support worth? $\pm 15,000,000$ votes would be a fair estimate.
- The Democratic Party and its Politicians traded support for all types of human sexual perversion for votes. How many votes was that support worth? $\pm 5,000,000$ votes would be in the ballpark.
- The Democratic Party and its Politicians traded support for open borders, border runners and illegal immigration for votes. How many votes was that support worth? Another $\pm 5,000,000$ votes would be a reasonable estimate.
- The Democratic Party and its Politicians believe in the adage “the enemy of my enemy is my friend.” One of our enemies is militant Islam. That support was likely worth another $\pm 2,500,000$ votes.
- The Democratic Party and its Politicians traded support for the racism and victimization narrative for votes. How many votes was that support worth? Most likely, another $\pm 20,000,000$ votes.
- The Democratic Party and its Politicians moved left for “Leftist” votes. That support was worth another $\pm 20,000,000$ votes.
- The Democratic Party defrauded President Trump and Republican Voters in Arizona, Georgia, Michigan, Nevada, Pennsylvania and Wisconsin of $\pm 12,500,000$ votes.

**The “Pawns of Satan” won.
Patriotic, freedom-loving Americans lost,
but only temporarily!**

Truth #57 – The Democratic Party is a Party that has Turned Its Back on God and Become a “Pawn of Satan”...

- God, the God of Abraham, Issac and Jacob is real. So is Satan, the fallen angel.
- The United States of America was dedicated to God at its founding.
- The Declaration of Independence and the U.S. Constitution were “God-breathed” into existence.
- Our money is inscribed with “In God We Trust.”
- The Democratic Party and its Politicians have turned their backs on God and violated his commandments. In doing so, they have exposed not just themselves to Satan’s deceptions, lies and temptations, but our nation at large and virtually every American citizen wherever they reside.
- As mentioned in many of the “Descriptors” above, Satan has enticed the Democratic Party and its Politicians and made them pawns in a 245-year march of evil that includes...
 - Slavery
 - The Civil War
 - The Ku Klux Klan
 - Jim Crow
 - Segregation
 - Abortion and Infanticide
 - Sexual Immorality
 - Undermining of the nuclear family
 - Sexual Perversion
 - Marital Perversion
 - Gender Identity Perversion
 - Open Borders
 - Drug Trafficking
 - Sex Trafficking
 - Chinese “Trojan Horses”
 - Growing Debt
 - Looming Bankruptcy
 - Lawlessness
 - Class Hatred
 - Racial Hatred
- Over time, many Americans have come to believe that what is good is evil and what is evil is good. As a result, our culture has “normalized” historical evils.

**How far into evil territory will Democrats take us?
Only as far as we let them.**

Truth #58 – The Democratic Party is a Party that Is Morphing Into the Party of Tyranny...

- Joe Biden's Presidential win marked the point in time when America began morphing into a Marxist / Socialist state, leaving its Free-Market Democracy behind.
- To ensure that they never again lose power, the Democratic Party and its Politicians will begin to lock down control of every aspect of Federal, State and Local governments. They've already told us a few of the things they plan to do...
 - Open our borders to anyone and everyone who wants to claim asylum
 - Make Washington DC the 51nd state
 - Make Puerto Rico the 52nd state
 - Eliminate the Electoral College
 - Increase the size of the Supreme Court and pack it with more "Leftist" judges
 - Re-interpret the Constitution of the United States
 - Give 11,000,000 to 30,000,000 illegal aliens a path to citizenship
 - Lower the voting age to 16
 - Allow anyone...including felons and illegal immigrants...to vote
 - De-fund the police
 - Let chaos continue to run rampant
 - Go ever softer on crime
- As these changes are being implemented, the Democratic Party and its Politicians will begin to lock down control of YOU, i.e., comply or you will suffer our consequences.
 - Your freedom of speech will be curtailed, if not shut down.
 - Your religious freedom will be curtailed, if not ended.
 - Your freedom of assembly will be severely restricted, if not ended.
 - Your freedom to travel will be limited, if not ended.
 - You will not be allowed to own a gun and the gun(s) you now own will be confiscated.
 - Every aspect of your life, both personal and professional, will become more and more regulated.

- You could be “cancelled” by a variety of “cancellers”...a Federal, State and/or Local Government, an Employer, a professional organization, a club, a union, a hate group or a so-called friend or neighbor.
- America will be demonized even more than it already has...
 - Our founders will continue to be demonized and cancelled.
 - Our founding documents will continue to be demonized and possibly discarded.
 - Our history will be re-written.
 - The radical “Left’s” charge of “Systemic Racism” will become a bigger threat than it already is.
- You will become a slave on the “Government Plantation”...
 - Your taxes will increase dramatically.
 - You will be forced to pay for the “Green New Deal” at a cost of \$94 trillion over 10 years.
 - You will be forced to pay for “Universal Basic Income” at a cost of \$18 trillion over 10 years.
 - You will be forced to pay for “Medicare For All” at a cost of \$30 trillion over 10 years.
 - You will be forced to contribute to paying off \$1.6 trillion in “Student Loan Debt” which you did not incur.
 - You will be forced to pay for a “Free College Education” for anyone and everyone who wants it.
 - You will either be threatened or forced to pay reparations.
 - You will be forced to pay an ever-increasing share of your income in new, dreamt-up taxes.
- Life will become increasingly Orwellian, i.e., totalitarian. It’s entirely possible that you will be “Targeted,” “Re-Educated” and “Monitored 24 x 7 x 365”...
 - All whites will be labeled as racists.
 - You will be “force-fed” a steady diet of Critical Race Theory, Identity Politics and Systemic Racism propaganda.
 - You will be stalked by “Race Monitors.”
 - “Thought Crimes” will be defined, codified and prosecuted.

Hello Joe!
It’s good-bye America unless we stop it.

Update

From my analysis, none of the 58 “Truths” have gone away, disappeared or become moot. Most of them have advanced in small steps, some by huge steps. Most are evil, some profoundly so. Here’s what the Democratic Party, its Politicians and the Biden / Harris administration have delivered over the last four years...

- Mentally compromised President who was not / has not been at the top of his game.
- Evidence of financial self-dealing to the tune of tens of millions of dollars by the President and his family members.
- An inept Vice President who is both uninterested and incapable of addressing, let alone solving problems.
- Serious concerns about who is running the country.
- House and Senate Democrats who could care less about serving the best interests of the American people.
- Wars and rumors of wars, including financing same to the tune of \$100s of billions of dollars.
- Continuing a hands-off position vis-à-vis Iran and continuing no strings financing for Iran’s proxy terror groups under the guise of coming to the aid of their civilian populations.
- Higher cost of living due to inflation...
 - Higher food / grocery costs
 - Higher gas prices
 - Higher housing costs
 - Higher energy costs
 - Higher costs on almost everything else due to higher supply chain costs, especially due to the dramatic increase in the cost of energy in general and oil and gas in particular.
- Inflation due to budget deficits, wasteful spending and the printing trillions of fiat dollars.
- A national debt that has increased from \$28.4 trillion to more than \$35 trillion.
- De-humanizing President Trump, his family and everyone on the conservative right.
- Growth of “Lawfare” against the “Leff’s,” the Democratic Party’s / its Politicians, and the Deep State’s perceived enemies / people who don’t agree with them.
- Collaborating with the Deep State, especially the leaders of the CIA, DOJ and FBI, to arrest and punish conservatives.
- Greenlighting lawlessness across the U.S...especially in Democrat-controlled cities by...

- Defunding police departments and dising police officers
- Supporting the election of “Leftist” District Attorneys who are favoring criminals over victims
- Going easy on criminals by downgrading felonies to misdemeanors or less, releasing probably guilty suspects and / or no longer requiring cash bail
- Failing to confront and end evils that are destroying our culture...drug trafficking, sex trafficking, sex slavery and child rape
- A cold-hearted stance towards gang violence, especially the victims of their murders.
- More onerous and often nonsensical regulations.
- Challenges to our 1st Amendment rights, especially freedom of speech and freedom of association.
- Opening our Southern border to more than 10,000,000+ illegal aliens, which opening has all of the hallmarks of a “Leftist” / Democratic Politician, Biden-Harris Administration and Deep State planned, organized and executed operation. Such operation should be grounds for accusations, arrests, trials and punishment for Treason.
- The \$100+ billion of our tax dollars that are now being spent annually on illegal aliens’ needs...food, healthcare, housing, job creation, transportation and sex change operations.
- The effort, money and time being spent dealing with non-problems like “Climate Change” under the illusion that they can play God.
- More “Money for Votes” schemes like paying for students’ debts with taxpayers’ dollars.
- Failing to prevent China’s increasing threats to our country...
 - Acquisition of hundreds of thousands of acres of land, especially land that is in close proximity to U.S. military bases and nuclear missile silos
 - Acquisition of American businesses such as Smithfield Foods and GNC
 - Almost 400,000 Chinese students, some of whom are CCP plants, with most of the others trained to steal our intellectual property
 - Control of the majority of the world’s precious metals
 - Control of the manufacturing and distribution of some of our basic needs...prescription drugs and medical supplies to name just two
 - Participation in the fentanyl supply chain
 - Spy balloons that cross the continental U.S. unchallenged
 - Collusion with a handful of other countries...Brazil, China, India, Russia, Saudi Arabia, South Africa... to abandon the dollar as the world’s reserve currency

- A never-ending stream of lies and negative spin that emanates from Joe Biden and Kamala Harris, their Administrative Staff, their Cabinet Members, the Democratic Party, its Politicians and its operatives, enablers and promoters...main stream media, social tech, Hollywood, etc...the objective of which is to get their way by manipulating and scaring us into submission.
- Justifiable concerns that Harris and Walz, if elected, will end up destroying our precious country. How can anyone vote for two people who...
 - Are not very astute / knowledgeable, even clueless on many issues?
 - Have zero experience or track record of success in the private sector?
 - Are prolific liars and manipulators?
 - Are good at producing bad, often goofy decisions / outcomes / results...
 - Harris...Sex change operations for prisoners?
 - Walz...Tampons in boys' bathrooms?
 - Are avowed "Leftists" / Marxists?
 - Are in love with China?
 - Are promoting the lie that America is systemically racist?
 - Are committed to promoting / supporting the woke belief system...DEI / Diversity, Equity, Inclusion?
 - Are incapable of acknowledging / articulating our country's problems?
 - Are incapable of explaining their plans / solutions to solving our country's problems?
 - Are really goofy, some might say they have somewhat scary personal "quirks"...
 - Harris...Word salads, loud cackling and head bobbing?
 - Walz...Freaked out facial expressions and weird cheerleading schtick?
 - Have trouble getting along with people...
 - Harris...92% of her VP staff left her during her first 3 years in office. Why?...Lacking leadership skills, she created a toxic work environment, frequently berated / bullied her employees in degrading tirades, leaving many in tears, generated internal chaos, refused to assume responsibility for doing her homework / preparing for meetings / presentations and, they did not want to be labeled a "Harris Person" long term.
 - Walz...His extended family members are all voting for Trump. Even one of his brothers doesn't like his politics and won't vote for him.

So, the bottom line is...

- **The Democratic Party and its Politicians, Operatives, Enablers & Supporters are uninterested and incapable of improving our lives.**
- **Their lust for power and control over us is their all-consuming passion, a passion that is leading us down the road to destruction.**
- **To end it, you do NOT have to vote for Donald J. Trump.**
- **All you need to do is refrain from voting for ANY Democrat...local, state or national... this election cycle, Harris and Walz included.**
